

DOUG FORD'S CUTS ARE PUTTING THE FUTURE OF THE NEXT GENERATION AT RISK.

Doug Ford's \$6.3 billion in education cuts have taken away crucial supports from our children and have left them in crumbling schools.

Tell Doug Ford and Paul Calandra to keep their hands off your local schools and to respect local democracy. Stop the power grab and fund our schools.

Ford is shutting you out of decisions that affect your child's school with a bill that puts control over local schools into the hands of unaccountable, unelected Conservative insiders. You won't be able to remove the insider by voting against them or even be able to challenge their actions in court.

Parents deserve a say in their children's education. You deserve local, democratically elected and accountable support when you advocate for your child and for your community's needs.

Send Ford and Calandra an email today and demand they support our kids and respect parents.

DOUG FORD'S CUTS ARE PUTTING THE FUTURE OF THE NEXT GENERATION AT RISK.

What is Bill 33?

- ▶ Lets Ford's Minister replace your locally elected trustee with an unelected insider.
- ▶ Strips parents of a real voice in decisions about funding, programs, and repairs.
- ▶ Leaves communities with no accountability—you can't vote insiders out or challenge them in court.

Why it Matters

Imagine your child struggling in class and you go to your local trustee for help. With Bill 33, that trustee could be replaced by Ford's insider — someone you never elected, someone you can't remove, someone who doesn't answer to you.

- ▶ That's the reality of Bill 33. Parents deserve accountability, not insiders.
