

Denver Area Testing Consortium

Applicants for the 2024-2025 School Year

Overview

Aspen Academy, Colorado Academy, Graland Country Day School, Montessori School of Evergreen, and St. Anne's Episcopal School have compiled the names of evaluators to provide a comprehensive list for families interested in pursuing admission to these schools. You are welcome to choose a licensed psychologist who is not a consortium member to conduct your child's evaluation; however, please be aware that the reduced testing fee may not then apply.

DESCRIPTION: These evaluators administer the DAS II (Differential Abilities Scale), the WPPSI-IV, WISC-IV or WISC-V. These are cognitive assessments conducted on a one-to-one basis. For our purposes, these are not designed to be comprehensive evaluations, but rather a screening for admission.

RESULTS: The evaluator releases the test results to you and to the school(s) you designate on your registration form. To discuss your child's results in more depth, a separate interpretive session may be arranged between you and the psychologist for an additional fee.

FEE SCHEDULE: Please send the \$170 testing fee directly to the evaluator prior to your scheduled appointment or bring payment with you on the day of the testing. If you are a candidate for financial aid, please tell the evaluator when you schedule your appointment and contact the admission office at Aspen Academy, Colorado Academy, Graland, Montessori School of Evergreen, or St. Anne's to discuss payment options.

CANCELLATIONS: You may cancel your testing appointment with at least two days' notice for a full refund of the testing fee. With less than two days' notice, there will be no refund. In the event of illness or family emergency, you may reschedule the appointment with no additional charge.

REGISTRATION:

- Complete the application(s) for admission to the school(s) of your choice.
- Select an evaluator and call them directly to make an appointment.
- Prior to your appointment, or on the day of, complete the registration form below and provide payment for \$170, to the evaluator with whom you have scheduled testing.

Testing must be completed and results submitted to:

Aspen Academy: January 16, 2024

Colorado Academy: January 15, 2024

Graland: January 28, 2024

Montessori School of Evergreen: rolling admission

St. Anne's: January 31, 2024

SUBMISSION: After the testing is completed, the evaluators will send the results to both you and the applicable school(s). Aspen Academy, Colorado Academy, Graland, Montessori School of Evergreen, and St. Anne's will upload the results to your admission file. You are also welcome to submit the results yourself, by logging in to the school's websites and uploading the results via the admission checklist.

NOTIFICATION: Lower School admission decisions will be sent by email and mail on Friday, March 1, 2024.

Participating Psychologists for Admission Testing

These evaluators are independent professionals who have agreed to participate in admission testing for Aspen Academy, Colorado Academy, Graland, Montessori School of Evergreen and St. Anne's. Each operates independently from the schools.
