

DESCRIPTION

The SBX-CON1 is a steel conduit box for Aiphone surface mounted door stations. It provides a surface to mount stations that are normally mounted directly to the wall. The SBX-CON1 features drilled attachment holes on the back for installation on a variety of gang boxes and surfaces. The front box also features pre-drilled mounting holes for 1-gang door stations, as well as templates to drill mounting holes for stations that require them.

Compatible Stations: IF-DA, IX-EA, IX-DV, IX-DVM, JO-DA, JO-DV, JP-DA, JP-DV, JV-DV, KB-DAR, KB-DAR-M, LE-D

Dimensions: 11" H x 6" W x 2" D

FEATURES

- Compatible with most Aiphone surface mount door stations
- Drilled attachment holes for different standard mounting boxes, including 1- and 2-gang
- Mild steel front plate, stainless steel back plate
- Conduit knockout at the base
- Matte black coloring
