

Mounting Magnets

Mounting Solution (MM)

Altronix mounting magnets accommodate screws and nylon or metal standoffs to allow for mounting various boards/accessories in any metal enclosure or backplane.

Mounting Magnets
with Hardware

(Board is not included)

Key Features

- Customize any Altronix metal enclosure or backplane to accommodate power supplies, distribution boards, access controllers and accessories
- Easy, fast installation saves time and labor – no drilling required
- Can be reused and repositioned
- Zinc alloy cover eliminates the possibility of EMI/RFI
- 26 lb. max strength
- 23.8mm (15/16") diameter cup, 6.5mm (1/4") hole size
- Includes hardware (screws and standoffs)

Please Note: Mounting magnets CANNOT be used as an earth ground.
A separate ground wire must be run to the ground connection on your device.
