RZA-5F Remote Annunciator

The RZA-5F Remote Annunciator mounts on a standard single-gang box, and provides LED indication.

A Local Trouble Sounder and Silence Switch are also provided. All LED wiring is supervised. Any trouble condition will cause the System Trouble LED to illuminate.

Note: The RZA-5F Remote Annunciator requires the use of an ADM-12 for 12 VDC fire alarm control panels or an ADM-24 for 24 VDC fire alarm control panels.
