LANYARD SIZE: Standard 12", custom sizes available.

INSTALLATION: (1) Drill 3/4" Hole in wall just below painting hanging hook or in stand underneath object of art. (2) Install Switch and connect to Alarm Panel. (3) Loop Lanyard around painting hanging wire or frame by putting Magnet Holder through large loop of the Lanyard. Lanyard may also be attached to object of art with screws or other method. Lanyard may be bent to keep it in place. (5) Place painting back on hook or object of art on top of stand placing the Magnet Holder in the cup of the Switch at the same time. Removing art will set off the alarm.
