Hanwha Vision Co., Ltd. is a surveillance camera manufacturer that provides video information equipment with various functions. Users must comply with local laws when using our devices. Users are solely responsible for any illegal use of our products.

CAUTION

- RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.
- Do not ingest battery, Chemical Burn Hazard.
- This product contains a coin / button cell battery. If the coin / button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death.
- Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

ATTENTION

- IL Y A RISQUE D'EXPLOSION SI LA BATTERIE EST REMPLACÉE PAR UNE BATTERIE DE TYPE INCORRECT. METTRE AU REBUT LES BATTERIES USAGÉES CONFORMÉMENT AUX INSTRUCTIONS.
- Ne pas ingérer la pile, risque de brûlure chimique.
- Ce produit contient une pile de type bouton/pièce de monnaie. Si la pile de type bouton/pièce de monnaie est avalée, elle peut causer de graves brûlures internes en seulement 2 heures et peut entraîner la mort.
- Gardez les piles neuves et usagées hors de portée des enfants. Si le compartiment de la pile ne se ferme pas correctement, cessez d'utiliser le produit et gardez-le d'atteinte des enfants. Si vous suspectez que des piles ont été avalées ou insérées dans une partie du corps, consultez un médecin sans tarder.

Installing the HDD

- If you are adding a new or previously used HDD to this product in addition to the HDD(s) originally installed, format the new HDD manually in the set before use.
- If you wish to replace or add an HDD, contact your dealer or our customer service first.

- 1 Use the front cover lock key to unlock the cover. Grab the front cover with both hands and pull it to the left to remove it.

- 2 Press the orange button on the hard disk bracket to the left and pull forward to separate the main body and the hard disk bracket.

- 3 Mount a HDD in the HDD bracket and screw it in using the screws provided.

- 4 Once the HDD is mounted in the bracket, push the bracket into the main body and close the front cover.
 - Fit the front cover into the right notch of the main body, then press and close until you hear a 'click'.
 - Use the front cover lock key to lock the front cover so that it does not get separated.

PRN-3200B2/PRN-1600B2

XRN-6410RB2/XRN-3210RB2

- 1 Use the lock key on the front cover to unlock it, and press and pull the left notch of the front cover to separate it.

- 3 Mount a HDD in the HDD bracket and screw it in using the screws provided.

- 2 Press the orange button on the hard disk bracket to the left and pull forward to separate the main body and the hard disk bracket.

- 4 Once the HDD is mounted in the bracket, push the bracket into the main body and close the front cover.
 - Fit the front cover into the bottom notch on the recorder, and then press and close until you hear a 'click'.
 - Use the front cover lock key to lock the front cover so that it does not get separated.

- 1** Remove the screws from the top and back sides of the recorder, and push the cover back to release it.

- 2** Remove the screws from the left/right sides and release the bracket.

- 3** Mount 8 hard disks into the bracket, and fix it using screws.

- 4** Fix the hard-disk-mounted bracket to the recorder using screws.

- 5** Connect the SATA/power cable of the hard disk to the connector of the main board.

- Refer to the figure below for the hard disk location number and connector number.

- 6** Make sure that there is no problem in the connection port and routing inside the recorder, and then fix it using screws after closing the cover.
- When dosing the cover, be careful not to damage the cable.
