

Nylon Cloth Wire Marker Book (1-45)

Part Number DM145
Category Number 5300
UPC 781002163022

Wire Marker Books are used to label electrical wires and terminal strips for quick identification. They are manufactured with durable nylon coated cloth that feature large, non-smearing print making them easy to read. Nylon is resistant to static electricity, deformation, and aging. Marker books eliminate costly trial and error searches.

Physical Characteristics

Type	Wire Marker Book
Label Type	Pre-Printed
Material	Nylon Cloth
Coating Material	Nylon
Legend	Jan-45

Packaging Details

Standard Qty	1
Sleeve Qty	10
Master Qty	250
Price Per	1
Package Length	5.50
Package Width	4.00
Package Height	.31
Package Weight	.09

Performance Data

Applications	Convenient for marking wire, cables, terminals, panels, outlets, and more
Temperature Range	-40°F to 176°F
Special Features	Self Adhesive, Resists Moisture, Dirt, and Oil, Non-Smearing Print, Pocket Sized

Certifications

UNSPSC	39131506
RoHS Compliant	Yes
