

Wireless Video Door Phone

DP-266-1C7Q

The ENFORCER Wireless Video Door Phone is a stand-alone, home entry solution. Observe visitors on the large 7" screen as they arrive, communicate with them, take photos or videos for later viewing, and unlock a gate to grant entry – all from the wireless monitor. Connect up to 3 monitors with 2 cameras for viewing multiple entrances around the house.

Features

- Talk with visitors and unlock doors or gates via the monitor
- Monitor's rechargeable battery allows convenient communication with visitors while moving around the premises
- Connect up to 2 additional monitors and 1 additional camera (sold separately)
- Intercom calling between paired monitors
- Egress input allows the door phone to be connected to a Request to Exit Plate or other egress device
- Camera has a 170° field of view with adjustable pan and tilt angle to accommodate a variety of installations
- Camera has built-in IR LEDs for nighttime operation
- Camera's built-in PIR sensor activates camera to take photos or record video of approaching visitors
- Tamper switch triggers alarm if camera is removed from base
