

## Bluetooth® Access Controller

**SK-B241-PQ** Mullion Keypad with Proximity Reader

Streamlined, fully app-based setup using integrated Bluetooth® wireless technology. No codes to remember, intuitive app design for easy, visual programming. Provides convenience and security to the user and administrator. All data is secured on the device without the risks inherent with an internet connection.

### Features

- **No Codes to Remember** – Intuitive, visual app-based programming and management, 1,000 users, device options, etc.
- **More Than Access** – Can control doors, gates, lighting, machinery, etc.
- **No Internet Exposure** – All data secured locally on device
- **Multiple User Types** – Permanent, scheduled, temporary, # of times
- **Output Modes** – Timed relock, continually unlocked or locked, toggle
- **User Customization** – Individually customizable output mode and time
- **Hold Open** – Hold door open with code or app (customizable)
- **Secure, Integrated Bluetooth** – Passcode protected, AES 128 encryption
- **Unlimited Devices** – Access/manage unlimited devices with one app
- **Easy Backup/Restore** – For off-device storage / restoration / replication
- **Wrong-Code Lockout and Tamper Alarm Output** – Customizable
- **Multilingual App Interface** – Currently supports English, Spanish, Portuguese, French, German, Russian, Vietnamese, and Chinese (Traditional or Simplified)

App-Based Setup

No Internet Exposure

1,000 Users

Audit Trail

### SL Access™ App

### App-Based Management and Control

#### On-Device Security

AES 128 Encryption  
Settings, passcodes kept on device, set by the Administrator

#### Administrator Settings

Set all device parameters, manage users, view audit trail, backup/restore

#### User Management

Add, view, import/export, customize individual settings, scheduling, output settings

#### Audit Trail

View most recent 1,000 events, searchable by user and type, and download for archive

#### Unlock with App

Users can unlock the door with the app, as well as with the keypad or prox
