

SCP PART#: TM-8

UPC: 810070015633

DESCRIPTION:

8 PORT RJ45 TELECOM MODULE - 1 EA

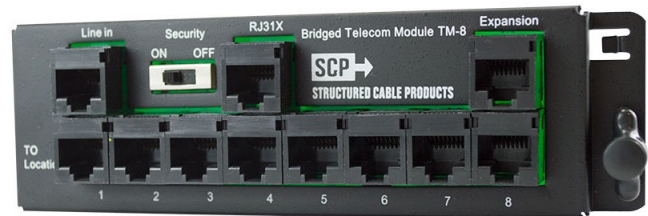

TM-8 is designed for telecom distribution system.

Feature

- supports four or fewer analog telephone lines in
- distributes eight locations
- supports digital service such as DSL or ISDN
- provides security interface
- line test available

Characteristics

No.	Item		TM-8
1	Input connector Type		RJ45
2	Output connector Type		RJ45
3	Output connector Number		8
4	Expansion connector Type		RJ45
5	Security Interface		RJ45 TO RJ-31X
6	Line Test		
7	Surge Protection		
8	Attenuation (dB)	0~5KHz	
		>30KHz	
9	Dimension LxH (inch)		6.3" x 2"

Packaging

- Each in Plain White Box
- Instruction sheet included
