Time to get out and do something challenging. Come join us at Mesabi Range College and put your skills to work as a contestant in our Behind the Mask welding competition. This competition is open to industry professionals and student participation.

Seats are limited so Pre-Register for dinner and one or more of the following categories:

- SMAW
- FCAW-G
- GMAW

Raffle tickets will be sold and drawings held to win many other prizes donated by our sponsors.

Pre-Register by contacting Eugene Stitt providing name, dinner, and categories competing in:

- Call or text: 218-290-9319
- E-mail: eugene.stitt@mesabirange.edu

*PPE and your basic fitting tools are
required to compete.*

Face coverings are required on campus.

We continue working on protecting guests, students, and staff at Mesabi Range College and appreciate your help.
