April 2022 In-Person Meeting

Tuesday, April 12th, 2022

U.S.S COD Restoration

The Cleveland AWS section will be hosting our first in-person meeting of 2022, on Tuesday, April 12th at 6:00pm. The meeting will take place at the Toscana Party Center located at 4972 E. 71st Street, Cuyahoga Heights, OH 44125.

Paul Farace will give a presentation on the history and restoration of the USS Cod Submarine. The USS Cod Submarine Memorial is a National Historic Landmark and consistently voted in the Top 10 list of Cleveland attractions. The sub is regarded as the most accurate and complete restored submarine on display.

Paul has held many positions around the Cleveland area, including positions as a publisher with the Cleveland Press, the Plain Dealer, and a public information officer for NASA Glenn during the Space Shuttle program. He is now the director of the USS Cod memorial.

To register, or if you have any questions or concerns, please send an email to the Cleveland section cleveland@awssections.org or call Elliott Ash at 216-906-8185. The cost is \$20 at the door, or \$18 if you RSVP by Friday, April 8th.

Looking to Get Involved in the AWS?

The AWS Cleveland Section is welcoming volunteers to join the Cleveland Section Board. If you are interested in volunteering on the board, please email cleveland@awssections.org for more information.

Looking For Presenters

If anyone is interested in giving a tour of their facility or doing an in-person OR virtual presentation to discuss a welding topic to the members of the AWS Cleveland Section, please email cleveland@awssections.org.

May 2022 Meeting

Be on the lookout for a newsletter for a May meeting. It will be the last AWS meeting before we take our annual summer break to enjoy the weather. The board members will work throughout the summer to plan section meetings that will begin in the fall months.

SPONSORS

Many of our sponsors offer their time as board members and volunteers and donate items for our annual auction, please support them.

Every month during the Section’s business year, over six hundred welding professionals see the ads in this newsletter. That’s over 5,000 opportunities each this year. Many of those welding professionals make purchasing decisions. A business card ad is a great way to get a buyer’s attention and show support for the Cleveland Section. Please contact Harry Sadler at maineoutpost@gmail.com for more information. A business card ad is only \$200 for the entire year.

Regards,

Elliott Ash – AWS Cleveland Section Chair
