## SMALL GROUPS

*Providing community to grow in Christ together.*

---

### **Why Small Groups?**

Small Groups provide a great opportunity to connect with others and grow deeper in your Christian faith.

### **What happens in Small Group?**

In a Small Group, participants generally take turns hosting and facilitating the discussion. Groups meet at least twice a month for about 90 minutes. A typical gathering includes a meal, fellowship, and study.

### **Who would be in my group?**

Most groups are made up of 12-16 people. Group participants are generally in similar life stages or locations. There may be those just beginning to explore God alongside others having a rich history in the Christian faith.

### **What about childcare?**

Several Small Groups provide childcare. Trained childcare workers from Providence Church provide a safe, fun environment onsite.
