AGFINANCIAL ARENA

Evangel University broke ground on the 70,000-square-foot AGFinancial Arena on October 28, 2023. The state-of-the-art sports complex will host the university's basketball, volleyball, football, and soccer programs.

The arena portion of the facility is 40,000 square feet and will include a home-game court and two full cross courts for practices and tournaments, a VIP lounge and box suites, a concourse with concessions and gathering spaces, support and staffing offices, locker rooms, and meeting rooms. Seating capacity is expected to be around 1,300.

The Randy Rowden Training Facility will occupy 30,000 square feet on the south side of the Valor Center, and will include VIP box seating overlooking the north end zone of Coryell Field. The facility will house Evangel's football and soccer programs, as well as athletic director's offices and operations. It will also include a state-of-the-art strength training room, athletic medicine hub, and a 2,500-square-foot multipurpose room for campus events and meetings.

AGFinancial Arena's south entrance plaza will serve as a student venue for pre- and post-game gatherings, and additional parking for the venue will be developed near its north entrance.

AGFinancial Arena, including the Randy Rowden Training Facility, are two major projects included in Evangel's Here. Now. campaign, a \$24 million fundraising effort launched this summer. Other projects include the complete remodel of Walther Hall dormitory and the installation of an artificial turf lighted intramural field.

Collectively, these projects represent the first major building effort on Evangel's campus since the construction of the Ralph M. Riggs Administration Building in 2009.

EVANGEL SPORTS NETWORK

EVANGEL SPORTS NETWORK

Evangel Athletics has built an internal network to stream more than 90 home events yearly since 2016-17. The athletic department has spearheaded the effort that partners with local professional talent and Evangel students to produce nearly every game. Evangel Athletics manages all aspects of radio, television, and digital rights.

Since 2019 the Evangel University Athletics Department has partnered with Mediacom to produce several home games that are simulcast on the Evangel Sports Network and the KCAC Network platforms. MC22 produces and helps air a number of football, volleyball, basketball, baseball, and softball games each year.

KCAC CONFERENCE NETWORK

The KCAC Network is the official digital network of the Kansas Collegiate Athletic Conference. It will encompass all original programming from the KCAC.

The KCAC Network is available on your desktop and mobile/tablet devices. The official website of the KCAC Network is www.kcacnetwork.com, while the KCAC app is available for iOS in the App Store and Android on Google Play. Mobile devices, including iPhones, iPad, and Android, will work with the default web browser.

Devices should be kept up to date and connected to a reliable data connection for optimal playback. Apple users and owners of an AppleTV device can 'throw' the webcast from their iPhone or iPad using the AirPlay feature. Computer users can output their display directly to an HDMI signal if supported; otherwise, a converter may be required. These options may require advance setup, and we suggest using an 'On Demand' archive to test prior to watching a live event.

ADDITIONAL MEDIA COVERAGE

Evangel teams enjoy media coverage both locally, regionally, and nationally. In addition to appearing live on regional TV.

Local media coverage of Evangel also includes regular coverage on local television stations KY3 (NBC Affiliate) and KOLR 10 (CBS Affiliate). Local radio stations also provide coverage, including coaches' interviews weekly with Zimmer Communications Jock 96.9 FM station, an ESPN Radio affiliate.

>>> Mediacom 22 broadcasts several men's and women's basketball home games, with broadcasters Don West and Tom Mast typically calling games.

Head Coach: Jim Middleton (2nd season)

Assistant Coach: Jennifer Eidemiller (2nd season)

HEAD COACH | 2ND SEASON | MISSOURI STATE '85

Jim MIDDLETON

Head Coach Jim Middleton enters his second season at the helm of the Valor after 14 seasons coaching collegiately at Southwest Baptist University.

Middleton helped guide the women's basketball team to a 16-10 record in his first season at the helm, Evangel's first season above .500 since the departure of Megan Leuzinger.

The Missouri Sports Hall of Fame inductee returns to the basketball sidelines where he has experienced success for over 35 years. Middleton has enjoyed success in Southwest Missouri in women's basketball at the collegiate and high school levels starting at Missouri State under legendary head coach Cheryl Burnett that included a trip to the 1992 NCAA Final Four.

A native of southwest Missouri, Middleton was the head coach at Southwest Baptist University for 14 seasons where he was a two-time finalist for NCAA National Coach of the Year in 2001 and

2008 and named MIAA Coach of the Year in 2008. He guided the Lady Bearcats to six NCAA tournament appearances. He is still the all-time

winningest coach in SBU women's basketball and holds the highest career winning percentage while impressively holding a 100 percent graduate rate during his 14 years at SBU.

Middleton returned to the high school ranks in 2009, leading the Nixa Lady Eagles to the Class 5 Missouri State Championship. That same season, Middleton was named the Class 5 Coach of the Year by the Missouri Basketball Coaches Association and the Missouri Sports Writers. His teams were ranked in the top 10 of the final Class 5 poll in four out of five seasons.

In 2013, Middleton served as an assistant coach for the Drury Lady Panthers, winning a regional championship and finishing with a 27-4 overall record.

Middleton has also coached at West Plains High School and most recently coached girls track and girls' tennis at Nixa.

He is a graduate from Missouri State

with a degree in physical education and earned his Master of Education in administration.

Coach Middleton and his wife Ronda reside in Nixa and have two sons, James and Jared.

VALOR WBB LOOKS TO MAKE JUMP IN 24-25 WBB Season Outlook

After a strong first year at the helm for Evangel Women's Basketball, head coach Jim Middleton is set to guide his team to conference title hopes in the 2024-25 season.

Jim Middleton, a southwest Missouri basketball coaching legend, helped turn around a team that went 13-15 two seasons ago, to a team that finished 16-10 overall last year. "I felt like we had a solid first season last year," stated Middleton. "There were definitely different pieces to improve on, but having started the year late (Middleton was hired in early June), I felt we clicked quickly and made a push to be competitive in a tough conference."

Middleton will return nine players from a team that went 16-10 last season. Led by returning sophomore Kamie Jenkins, who was named the KCAC Freshman of the Year, Evangel looks prepped to make a run for a conference title. Jenkins averaged a double-double last season, scoring 12.3 points per game and 10.3 rebounds a game to lead the Valor in the paint. Joining Jenkins in the paint is returning senior Micah Clayton, who brought a strong duo in the post position for Evangel. "Kamie is going to continue to be double-teamed and the beauty of that is if they do that, they are leaving a strong athlete in Micah who can do it all, whether it's in the paint or out in the mid range," said Jim Middleton. Clayton is coming off a junior campaign where she earned honorable mention KCAC recognition, averaging 11.2 points per game, along with 6.3 rebounds per game.

Evangel returns several guards who will help extend the threat from the three point line this season, led by junior Carson Dillard. Dillard also earned honorable mention recognition last season, averaging 12.1 points per game and was a bright spot in the second half of the season, hitting 55 total three's last year. "I thought Carson was playing as well as some of the top players in the conference towards the end of last season and really led us in scoring down the stretch of the year," stated Middleton. Seniors Jazzy Kirby and Lexi Berry also return, joining Dillard as co-captains this season. Kirby spent last season as the facilitator of the Valor offense, running point while averaging 7.2 points per game and 3.0 assists per game. Jazzy was also named to the KCAC All-Defensive team last year, leading the team in charges taken and steals. Berry brings tough defense to the guard position for Evangel and also facilitated the ball to the

Coach Middleton also expects returners Emma Mullings, Kate Denton and Amya Bonds to help make an impact on the court and lead the newcomers this season. Lydia Babiryte will be a large piece that plans to join Evangel in the winter semester, after taking the fall semester off. Babiryte averaged 6.3 points per contest last season for the Valor.

Evangel welcomes 10 incoming freshmen and transfers in the 2024-25 season. Ali Kamies, a transfer from Rockhurst, as well as Alyssa McCarty, a transfer from Lincoln (Mo.), and Morgan Ross, a freshman from Centralia, Mo., have made the biggest impact so far this preseason. "Kamies was a strong player, starting all games her freshman and sophomore season at Rockhurst. She will bring a strong defensive presence from the guard spot. McCarty can score at all three levels and has that division two experience to bring to the team. Ross has been really stepping up lately, and will be a long three for us, she's shown a ton of energy and has been shooting really well," stated Coach Middleton.

Kamie Jenkins returns as a key leader for the women's team this season, after earning KCAC Freshman of the Year while averaging a double-double last season (12.3 ppg, 10.3 rpg).

Other newcomers this season include College of the Ozarks transfer Jada Henry, and freshmen Macey Sult (Ozark), Emily Recker (St. James), Evin Montgomery (Alton), Resa Martin (Rolla), Tara Masten (Parkview), and Ellison Mehrhoff (Branson).

Evangel was able to close out decades of history on a high note last season, earning a win in their final game in the historic Ashcroft Center, 80-69, over Oklahoma Wesleyan. The Valor will now compete in the roughly 23 million dollar AGFinancial Arena, a massive upgrade from the smaller facility Evangel previously played in. "Four of our six non-conference games are here in AGFinancial and that's on purpose. We want to highlight this beautiful arena. Our players love it, they are thankful for it and they do not take it for granted. I believe the community is going to love it and I hope our recruits have enjoyed it so far."

Senior **Micah Clayton** returns after averaging the third most points and second most rebounds on the team (11.2 ppg, 6.3 rpg)

2024-25 EVANGEL WOMEN'S BASKETBALL

Evangel was picked to finish fourth in the KCAC Coaches Preseason Poll. When asked about the rating, Middleton stated "That's probably fair, simply because of the amount of starters back from teams that finished above us last season. This group has set themselves up for some positive things this year."

When asked about what Coach Middleton wants Evangel Women's Basketball to be known for, he stated, "We want our opponents to know that nothing is given against us. We are not going to beat ourselves and any team that matches up with us knows that we are going to compete from the first second to the final buzzer."

The Valor will open their season on November 1st, at home against Mission University. Evangel opens their conference slate on November 16th, also at home, against Friends.

Junior **Carson Dillard** brings back her exceptional three point shooting after averaging 12.1 points per game, hitting a team high 55 three pointers.

EVANGEL UNIVERSITY

T W O T H O U S A N D A N D T W E N T Y - F O U R

DR. MIKE RAKES

EVANGEL UNIVERSITY PRESIDENT

Dr. Mike Rakes was named the fifth President of Evangel University on July 11, 2021.

An ordained Assemblies of God minister, has led the diverse congregation of Winston Salem First as its visionary and relationally focused leader for the past 15

years. The church has cemented itself as a community partner through its "Do Good" initiative, focused on providing compassionate care and resources to those in need through a variety of outreach and service-focused opportunities.

In addition to his pastoral experience, Rakes is a proven leader in higher education.

Rakes founded Bridges Christian College, accredited by the Association for Biblical Higher Education, in 2009 to prepare students for full-time ministry and as a pre-cursor to a seminary education. Students were able to graduate debt free. Rakes served as president through 2012.

Rakes also served as the vice president for student development at Southeastern University, an Assemblies of God institution, in Lakeland, FL from 2000-2006 and as chair of its Practical Ministry Department from 1993-1999.

He has also been a church planter, pastor, consultant, and curriculum writer in Florida, Oklahoma, and Missouri.

Rakes is a graduate of Central Bible College and the Assemblies of God Theological Seminary, where he earned a bachelor's degree in Pastoral Ministries and a master's degree in Biblical Literature. He also holds a Master of Divinity and a Doctor of Ministry degree from Biola University, with additional

doctoral studies in management.

Rakes previously served as chair of the board of trustees at Oral Roberts University, and is a member of the global ministry resource

organization Empowered21, where he serves as liaison to Spirit-empowered scholars.

He is also a writer and published author. His latest book, "Surrendered and Unafraid: The Flourishing of Faith during Seasons of Suffering" is set to release this fall through the FEDD Agency. Charisma House published his first book titled "Slings and Stones" in 2015.

Rakes and his wife, Darla, have a daughter, Whitney, who served as worship pastor at WSF until her passing in 2019 at the age of 27 after a courageous battle with cancer. They also have a son, Brayden, who is married to Heather, with one grandchild, Blake, and another grandchild, Beau, on the way.

Evangel University is led by the President, the university's chief administrative officer, with guidance and policy oversight from the Board of Trustees.

The university's administrative team is comprised of the cabinet of those below:

- Linda Allen, VP for Business & Finance
- Chris Belcher, VP for Enrollment Management
- Dr. Tim Hager, VP, Dean of AGTS
- Dr. Michael Kolstad, Executive Vice President, Chief of Staff

- Dr. Mark Entzminger, Vice President for Student Development

The Story of Valor

A New Era

Evangel University was founded with a singular mission: to educate and equip students to become Spirit-empowered servants of God who impact the Church and society globally. While our passion and purpose remain steadfast to this day, our commitment to excellence requires continual evaluation and

progress on all fronts. This commitment extends to our decades-old school mascot and athletic logo. It's time for a change; it's time to take the next step forward into a new era of athletic and academic excellence.

Noble Lineage

We needed a mascot that better aligned with our vision and values and accurately represented our students, faculty, and alumni around the world. It needed to be a mascot that honored our heritage and signaled the next chapter of our story. The transition from a Crusader riding a horse to the horse itself

was intentional. A horse is a vehicle used to share a message, just as God inspires Evangel students to share His good news. By leveraging the best characteristics of our past - bravery, loyalty, and courage - we have reestablished a noble foundation for our bright future.

Courageous and True

Evangel University's new mascot and athletic logo, Valor, is represented by a horse symbolizing character, strength, and courage. Valor's name was chosen with great intentionality, as it speaks to strength of mind and unwavering courage in the face

of uncertainty. Valor is an essential quality that enables Evangel's Spirit-empowered students and athletes to stand firm in the face of adversity and boldly pursue their God-given callings.

Significance and Symbolism

The Evangel Valor logo visually communicates strength, nobility, and fervor. Each individual element of the mark works cohesively to tell a powerful story of courage and commitment.

- ▼ **Ears** - Valor's ears are forward and alert to signal fixed attention on his opponent and the task at hand.
- ▼ **Eyes** - Valor's eyes are focused. His knitted brow communicates fervor and courage as he charges bravely into the fray.
- ▼ **Head** - Valor's head position and determined demeanor reflect a quiet confidence and uncommon strength of mind and Spirit.
- ▼ **Mane** - Valor's fiery mane consists of three primary segments representing the reason he competes: to glorify the Father, Son, and Holy Spirit.
- ▼ **Neck** - Valor's muscular neck mirrors the shield of the Evangel University logo, symbolizing the importance of academic and athletic development.

Men and Women of Valor

Whether those callings take place in the classroom, the boardroom, the athletic field, or the mission field, integrity and a commitment to faith, family, and community are what drives Evangel University forward. Our students and our alumni are recognized as men and women of valor; people of character who are full of grace and fervor. They are imbued with power and uncommon strength of mind and Spirit which allows them to remain resilient in the face of adversity and confidently take new ground.

Bravely Forward

This process - and subsequent progress - is the result of passionate students, alumni, faculty, and leadership working together and pulling in the same direction. Together, we will hold our heads high and proudly proclaim in one resounding voice:

We Are Valor!
We Are Evangel University!
