What we're up to—

Tip-Off Tournament recap: We dropped game one to nationally ranked Holy Family after a cold start, but our second-half defense and pace made it tight. In game two, we topped the College of Staten Island—jumped out early, led at half, and closed it out by three led by our strong veteran core!

This past Saturday, a 79–76 non-conference win over Dominican highlighted our offensive growth and was really fun to watch the team compete. Today we travel to Southern Connecticut (non-conference), then take a brief Thanksgiving break before our first NE10 matchups.

Off the floor, the PK Challenge funds brought a new shooting machine and fresh travel bags- thank you again for the incredible support!. We also ran a food drive for the SMC Food Pantry during Hunger & Homelessness Awareness Week and were overwhelmed by the generosity of our friends!

We hope you have a wonderful Thanksgiving and hope to see you at a game soon!
