What we're up to-

It has been a great postseason- the team is working tirelessly to hone their skills and create our new identity as we enter summer. We have done great work on the court but also focused on committing to our program standards of being Well-Rounded, All-In and Elite. The team spent time defining what Elite means for us and have the common knowledge of this standard and the responsibility of holding themselves and their teammates accountable.

We have also done some great things off the court as well including providing an Easter Basket to a local child at COTS, supporting our friends at Bellcate School at their basketball jamboree and having some fun in the weight room!

We are also excited to announce that Molly Brophy & Ruby Santos have been named Captains for the '25-'26 season. They are going to be incredible leaders for our program and look forward to what they will bring to continue to move us forward!

Favorite SMC Memories:

My favorite memory isn't one moment, but a compilation of smaller moments: going as a team to Alliot for breakfast after a morning workout, cheering on a teammate who worked so hard for their minutes, being cheered on by teammates, making a pass up the court to Coreen as she came out of nowhere, hitting Q for 3 in transition, Logan scoring her 1,000th point, dinner at Moe's with the upperclassmen, having my parents and teammates' parents in the stands, having brought snacks and hugs for us. It's the little, nondescript moments that linger with me and that make me smile back on my basketball career at SMC
