What we're up to-

We are BACK! The first week of classes are underway, our players have crushed their fitness testing and we are so excited to get on the court with them Monday for the beginning of Preseason! We had a great summer which included two sold-out camps, finding great future PK's on the recruiting trails and everyone having the opportunity to enjoy a reset.

As we enter the new year the squad is looking forward to building on the success of last year while understanding that there is much work to be done. We welcome four new faces which are featured in our spotlight below and welcome back a core group of 12 returners.

Our schedule is live and encourage you to take a look to see if we are going to be playing near you, or, if you are able to make it back to Ross!

You'll be hearing from us about the upcoming PK Challenge that runs September 15-21 and is the biggest (and crucial) fundraiser for our program. We truly value any support you can offer and know that it makes a tremendous difference in what we offer our players and to their experience! Alumni Weekend is also September 19-21, if you are going to be on campus, please let me know!

I look forward to connecting again monthly to keep you updated on what is going on with the program!
