- All Broncos are expected to play in the tournament. Tiago Boschmans, Mahir Khurana and Payton Jim On will start play on Thursday as part of singles qualies. The remaining six players will begin play on Friday in the main draw.

Season Notes

Season

- Santa Clara has had a singles bracket winner in each of the first two fall tournaments. At the Aggie Fall Invitational, hosted by UC Davis, freshman Luca Bluett won the white flight singles title in his Bronco debut. At the UC Santa Barbara Invitational, Alexander Watanabe Eriksson won the B flight singles championship, returning to the campus where his collegiate career started before transferring to Santa Clara last season.
- At the Aggie Invitational, the Broncos racked up a total of 16 singles and eight doubles wins. And they won seven singles and two doubles matches at the UCSB Invitational.
- Lukas Maskow leads the team with six singles victories while Bluett and Watanabe Eriksson are both undefeated with a 4-0 singles record.
- Luca Lemaitre tops the team with four doubles wins.

Team

- Santa Clara is led by head coach Niall Angus who is in his ninth season at the helm and assisted by Josh Page who is in his first season.
- The Broncos roster is comprised of nine players this fall with four returnees and five newcomers.
- The returnees are: junior Alexander Watanabe Eriksson, sophomores Tiago Boschmans, Luca Lemaitre and Lukas Maskow.
- This is the first fall season for Boschmans and Lemaitre who were mid-year enrollees last year.
- The newcomers are: transfer John Kim from Cal, freshmen Luca Bluett, Valentin Faure, Mahir Khurana and Payton Jim On.
- The Broncos lost five players - Sebastian Buxman, Guillaume Dalmasso, Arjun Honnappa, Christian Lerby and Matthew Rodriguez - to graduation who helped the team finish No. 59 in the final ITA rankings, the highest year-end ranking since 2014, with a 19-8 record last season. They advanced to the semifinal rounds at both the WCC tournament and the UTR Sports NIT Championship.
- The 19 win total in 2023-24 was the most since 2011-12. The Broncos were nationally ranked in 12 straight weeks reaching a high of No. 53, the highest since 2014-15, defeating four nationally ranked teams along the way. The last time the program has been ranked this many times in a season was the 2013-14 campaign when they were ranked 15 times.
- Buxman currently serves as a student assistant coach while he completes his Master of Science degree in computer science and engineering.
