Game/Season Notes

- Santa Clara and Saint Mary's both play their second West Coast Conference series of the season starting Friday.
- This season, the WCC will encompass a 16-game league slate for each of the five conference member schools. The WCC schedule will run for five weeks from April 12 to May 11 with one bye week. Each weekend series is comprised of four games with a single game series opener, followed by a doubleheader the next day and a single game series finale on the last day.
- Last week, the Broncos opened WCC play at LMU, winning one of four games. In the second game, a 14-12 slugfest won by the Broncos, Hazyl Gray hit three home runs. She became the first Bronco to hit three home runs in one game since at least 2000.
- All five of Gray's home runs have come in the last seven games. She's driven in 12 runs during that span.
- The Broncos closed out the nonconference portion of the schedule with a 21-16 record. The 21 nonconference wins are tied for most in program history since at least 1979, matching the totals from 1986 and 2002 seasons.
- In the final series of the nonconference slate, Santa Clara traveled to San Antonio to play Incarnate Word. During the trip, the Broncos attended a San Antonio Missions game, the double-A affiliate of the San Diego Padres, where Marie Martorella's brother, Nathan Martorella, plays.
- This is the third-straight season SCU has reached the 20-win mark, the first time they've done that since 2004-06. Head coach Gina Carbonatto is the first Bronco coach to post three-straight 20-win seasons since March Crouch did it from 2002-04.
- SCU played in six tournaments this spring going 16-11: a 2-3 record in each of the first two tournaments at the Fresno State Kickoff Classic (Feb. 9-11) and Silicon Valley Classic I (Feb. 15-18); 3-2 at the UNLV Rebel Classic (Feb. 23-25), 3-1 at the Capital Classic (March 1-3), 4-0 at the SVC II tournament (March 8-9) and 2-2 at the City of Trees Classic (March 16-17).
- The Broncos had a season-high seven-game win streak in early March. The win streak was the longest since the 2004 season when that team won 12-straight to close out the season.
- Offensively, on the season, SCU has a .267 batting average with four starters hitting over .300 - Hazyl Gray (.323), Bailey McLaughlin (.319), Robynn Balmediano (.308) & Abigail Charpentier (.302) and average 4.5 runs/game.
- Salmon leads the West Coast Conference in RBIs (33). Other Bronco statistical leaders include: Marie Martorella & Hazyl Gray in sac flies (T1 - 4) and Avery Seva in saves (3).
- Freshman Cairah Curran had a 14-game hitting streak and safely reached base in 17-straight games earlier in the season.
- The veteran pitching staff that returns three of the four pitchers from last season has a 3.94 ERA. Hannah Edwards has a team-high nine wins. The staff has five saves topping last season's total of two.

2024 Preseason

- Three Broncos - Hannah Edwards, Hazyl Gray and Morgan Salmon - were named 2024 preseason All-West Coast conference by a vote of the league's five head coaches.
- The Broncos were picked to finish fourth by a vote of the same panel.

2024 Schedule

- The 2024 schedule is comprised of 55 games (now 53 with two cancelations) including 22 at Santa Clara Softball Stadium. The Broncos will host two tournaments among the six they play and face two schools - Stanford and LMU - that qualified for the 2023 NCAA Tournament.

2023 Season Highlights

- The Broncos finished with an overall record of 23-26 after finishing the 2022 season at 21-30 to post their first back-to-back 20-win seasons since 2005 and 2006.
- The 23-win total was the highest since the 2006 campaign when they went 24-34.
- Most home wins (15-11) since Santa Clara Softball Stadium was built in 2016.

2024 Santa Clara University SOFTBALL
