Last Meeting..... March 28-30, 2024 | Santa Clara swept series, 3-0

Game Notes

- Santa Clara opens West Coast Conference play with a three-game series at home starting Friday versus rival San Francisco.
- The Broncos have won six consecutive over the Dons with back-to-back series sweeps in 2023 and '24. They've also won nine of the last 10 meetings dating to 2021, and have won four of the last five games played in Santa Clara.
- Five of the last six meetings between Santa Clara and San Francisco have been decided by three runs or fewer. Three of those were one-run games, including an 11-inning, 3-2, walk-off win on May 6, 2023, at Stephen Schott Stadium.
- The Santa Clara pitching staff has held San Francisco to only three runs or fewer in five of the last six meetings (since 2023).
- Santa Clara's six-game winning streak is tied for the longest in the series by either team (dating to 2005) since San Francisco won 10 straight over the Broncos from 2011-14.

Season Notes

- Santa Clara (8-9) dropped the opening game of its season-long home stand on Tuesday in a 13-4 decision versus Nevada. It was the first meeting between the two teams since 2018. The Wolfpack scored nine runs over the game's final four innings.

The Broncos scored the game's first run in the first inning to take an early 1-0 lead, and also loaded the bases with less than two outs in both the eighth and ninth innings, but went 2 for 11 (.182) with runners in scoring position

- Santa Clara is 3-3 in WCC openers since head coach Rusty Filter's first season in 2018 (no WCC games were played in 2020). Santa Clara dropped its WCC opener last season versus Portland after winning consecutive openers against San Francisco and Saint Mary's in 2022 and '23, respectively.

- More than half of Santa Clara's wins in 2025 (4) have been of the "come-from-behind" variety. Each of the Broncos' first four victories were comeback wins after trailing at some point. The Broncos were "comeback kids" in 2024, earning half of their 26 wins (13) in come-from-behind fashion. Santa Clara erased 23 different deficits during the 2023 campaign at any given point in a game.

2025 Santa Clara University BRONCOS BASEBALL

Season Notes

- Sophomore infielder **Ben Cleary** was named on Feb. 6 to the 2025 Preseason all-WCC team, as announced by the conference. Cleary will lead a veteran returning infield this season while moving over to shortstop after starting 49 games at second base as a true freshman in 2024. He was named to last season's WCC All-Freshman Team after batting .264 with eight doubles, a triple, 17 RBIs, 20 walks, four stolen bases and a .360 on-base percentage. He was an anchor in 2024 for the Broncos on defense, only committing three errors all season in 231 total chances (.987 fielding percentage) while helping turn a team-high 29 double plays.

- Head Coach **Rusty Filter**, entering his eighth season at the helm, has guided the Santa Clara University baseball team back to a tradition of winning not seen in decades.

Santa Clara's 26-26 record in 2024 marked the first time in 18 years it posted back-to-back .500-or-better seasons. The 26 wins gave the program three consecutive seasons of 24-or-more victories for the first time in 16 years. And Santa Clara's consecutive appearances in the West Coast Conference Tournament (2023, '24) marked the first time in 27 years it made the postseason in back-to-back seasons.

- Santa Clara traveled all the way to Austin, Texas, on March 7-9, for the first time in program history to face the then-No. 12-ranked Texas Longhorns. The Broncos were swept in the three-game series, though they were competitive throughout. Santa Clara brought the tying run to the plate in the ninth in Friday's opener, had three extra-base hits in Saturday's game two, and gave up five runs with two outs in the finale.

What did the Broncos in were 26 total free passes issued by the pitching staff -- 22 walks and four hit-by-pitches. 11 of the free passes would come in to score over the three games, accounting for more than half of the Longhorns' 18 runs in the series

- After its trip to Austin, Santa Clara is now 9-13 playing in the state of Texas since 2010. That includes a 7-0 mark at two different tournaments -- the 2012 Bobcat Invitational (3-0 in San Marcos, Texas) and the 2014 Irish Baseball Classic in San Antonio (4-0).

- Sophomore relief pitcher **Max Bayles** made it 2 for 2 on Feb. 24, earning his second Rawlings West Coast Conference Pitcher of the Week award in as many weeks on the young season, this time for the week of Feb. 17-23 after leading the Broncos to another victory behind yet another career high in strikeouts.

Santa Clara came from behind and won in extra innings Saturday at UC Davis, but the win wouldn't have been possible if not for the herculean relief effort on the mound by Bayles. Bayles entered in the fifth inning and pitched through the 10th, earning his first victory of the season with 5 1/3 innings thrown -- one out short of tying his career high. He allowed only one run on three hits, and most of all -- he struck out a career-high 12, just six days after he struck out a then-career-high nine in his last outing versus CSUN on Feb. 16. In total, Bayles retired 16 batters -- 12 of them by strikeout.

- Bayles earned the season's first WCC Pitcher of the Week award on Feb. 17 for the week of Feb. 10-16 after helping the Broncos clinch a series victory. Bayles struck out a career-high nine in only 4 2/3 innings of work on Feb. 16, leading Santa Clara to a series-clinching, 8-3, win over CSUN. Bayles entered in the fourth inning and got stronger as he went along, retiring eight of the last nine he faced with five strikeouts. He only allowed one hit and one run to a lineup that had collected 21 hits and scored 15 runs in the series' first two games. The outing was only one inning short of his career long (5 2/3), typically serving as the Broncos' closer/end-of-game pitcher.

- The 2025 Broncos return 21 letterwinners from a year ago, including 2024 WCC All-Freshman Team honorees **Max Bayles** and **Ben Cleary**. The team also introduces 17 newcomers (nine freshmen, eight transfers) and welcomes back two redshirt freshmen.

Season Notes

- Santa Clara sophomore right-handed pitcher **Max Bayles** was named on Feb. 12 to the 'Stopper of the Year' Award Watch List by the National Collegiate Baseball Writers Association.

The Stopper of the Year award is given to the top relief pitcher in the NCAA Division I Baseball. Bayles made an immediate impact for the Broncos as a freshman in 2024, earning a spot on the WCC all-Freshman Team. He posted a 3.40 ERA over 42 1/3 innings pitched, striking out 50 batters while limiting opponents to a .205 batting average. His dominant performances out of the bullpen also earned him WCC Freshman of the Week honors twice.

- Santa Clara was among the nation's best in ERA (75th), defense (76th), and base stealing (78th, SBs per game) in 2024.

- Santa Clara had two players (**Robert Hipwell**, **Blake Hammond**) chosen in the 2024 MLB Draft. Hipwell (sixth round) marked the Broncos' second pick among the top-10 rounds in two years, following Skylar Hales' fourth-round selection in 2023.
