- Santa Clara enters the ITA Kickoff Weekend with a 2-0 record after a season opening 4-1 win at UC Davis and a 5-2 home win over San Diego State last weekend.
- The 18th annual Kickoff Weekend takes place at 14 sites across the country. The host sites were determined based on 2025 year-end rankings so the remaining schools selected where they play based on their year-end finish starting with the 15th ranked team and running until all the spots were filled.
- Last season, Santa Clara finished No. 73 nationally and Bronco head coach Niall Angus selected the Starkville Region in the draft that was held last June where they are in the same group as host, No. 10 Mississippi along with No. 30 Auburn and No. 36 Alabama (last year's rankings).
- SCU faces Mississippi State, who are ranked No. 7 this season, on Saturday and play in either the consolation or championship match against Auburn or Alabama on Sunday.
- The Kickoff Weekend provides a chance to qualify for the ITA National Team Indoor Championships (Feb. 13-17), co-hosted by Baylor and SMU. The 16 team championship draw will be comprised of the two host schools plus winners from each of the 14 ITA Kickoff Weekend sites.
- This year's host sites on the men's side are: Wake Forest, TCU, Texas, Stanford, Virginia, Ohio State, NC State, Columbia, San Diego, Mississippi State, Arizona, Cal, South Carolina and UCLA.
- With four teams per site, a total of 56 teams comprise the 2026 ITA Kickoff Weekend draw.
- This will be Santa Clara's second straight appearance at the ITA Kickoff Weekend and the seventh overall having played in it for four straight seasons from 2011-14.
- Santa Clara was [picked to finish third in the West Coast Conference preseason poll](#) as voted by the league's eight head coaches.
- During the 2025-26 fall season, Luca Bluett and John Kim became the first-ever Santa Clara men's tennis players to qualify for the NCAA Individual Championships. They were one of the 32 doubles teams that competed in the 2025 NCAA Division I Men's Tennis Singles and Doubles Championship. They fell in the opening round in three sets to the doubles team from Penn, Aaron Sandler and Manfredi Graziani.
- The last and only time Santa Clara had a qualifier at the NCAA Individual Championships was in 2014 when women's player Katie Le played in her third consecutive singles championship from 2012-14.
- The 2012 SCU men's team qualified for the NCAA Team Championships.
- To qualify for the NCAA Individual Championships, Bluett and Kim won three straight matches at the ITA Sectional Championships. The finalists and third place finisher at the sectionals received a qualifying bid to the NCAA Championships.
- Bluett and Kim finished the fall with a 6-4 record while paired together.
- Last season, their first playing together, Bluett and Kim were a combined 14-7 including 12-6 in dual matches and 2-1 over the fall. All 12 wins in the spring came atop the doubles lineup helping them land second team All-West Coast Conference honors.
- Kim and Alexander Watanabe Eriksson recorded a team-high six singles victories during the fall campaign.
