GRADUATE INSTITUTE IN LIBERAL EDUCATION
ST. JOHN'S COLLEGE
SANTA FE, NEW MEXICO 87501

ANNAPOLIS, MARYLAND AND SANTA FE, NEW MEXICO
announces the FOURTH ANNUAL SESSION

of the **GRADUATE
INSTITUTE
IN LIBERAL
EDUCATION**

SUMMER PROGRAM FROM JUNE 22 TO AUGUST 14, 1970
FOR TEACHERS AND OTHER COLLEGE GRADUATES
DUCTED BY THE FACULTY OF ST. JOHN'S COLLEGE
ON THE CAMPUS IN SANTA FE

THE INSTITUTE OFFERS

to members of the teaching profession — and others who are qualified — an opportunity to pursue an interesting and demanding course in the liberal arts, based on the study of the most excellent works of Western thought.

The program is divided into four subject-areas: Politics and Society, Philosophy and Theology, Literature, and Mathematics and Natural Science. They may be taken in any order. All four will be offered in the summer of 1970.

Students earn nine hours of graduate credit in eight weeks. The program is approved for teacher certification, and those who successfully complete all four summer programs will be awarded the degree of Master of Arts.

ST. JOHN'S COLLEGE

a nonsectarian institution founded in 1696 in Annapolis, Maryland, is the third oldest college in the United States. In the last three decades it has become renowned for its leadership in revitalizing the study of the liberal arts through a curriculum based on the study and discussion of great classical and modern books, and for its exceptionally high academic standards. In 1964 St. John's College opened a second campus in Santa Fe, New Mexico.

SEMINAR	WEEK	TUTORIAL	PRECEPTORIAL	
meets for two hours, two evenings a week, Monday and Thursday, from 8 p.m. to 10 p.m.		meets for four classes, five hours a week, in the morning.

13	Einstein, <i>Geometry and Experience</i>	7		
14	Poincaré, <i>Science and Hypothesis</i>			
15	Darwin, <i>The Origin of Species</i> , selections	8		
16	Darwin, <i>The Descent of Man</i> , selections			

ADMISSIONS, FEES AND RELATED INFORMATION

DEGREE REQUIREMENTS

Students seeking to earn the degree of Master of Arts from St. John's College must complete the four-summer sequence of study (or three summers at St. John's if they have nine hours of graduate credit from another institution). Students need not commit themselves to more than one summer of study at a time, nor need they attend in consecutive summers. The four subject-areas may be taken in any order.

FEES

Tuition	\$270.00
Room	120.00
Board	150.00
Total	\$540.00
Matriculation fee (for new students)	25.00

Students living in the dormitories will pay full board for meals in the dining hall. Off-campus students will purchase meal tickets for five lunches and two dinners (on seminar evenings) weekly in the dining hall.

Board for off-campus students.....\$ 60.00

STUDENT LOANS AND FELLOWSHIPS

A number of fellowships are available to qualified students, and resident New Mexico students are eligible for loans through the Student Guaranteed Loan Association. The Institute Director will acquaint all students with available aid upon request.

ELIGIBILITY

Applicants must have a Bachelor's degree from an accredited institution, or the equivalent in study and experience. Although the curriculum is designed primarily for teachers, applications are invited from others. All decisions on applications will be made by the Admissions Committee of the Faculty.

CREDITS

Nine hours of transferable graduate credit, approved for teacher certification purposes by the New Mexico

State Board of Education, are awarded for successful completion of each eight-week summer session. Students who are planning to receive the Master's degree from another institution are advised to consult that institution before enrolling at St. John's. The four-summer Institute will provide a total of 36 graduate credit hours.

TIME-TABLE FOR APPLICATIONS

Applications should be submitted by April 15, 1970, to insure full consideration. It is advantageous to apply as early as possible. Applicants will be notified of a decision within three weeks after the receipt of complete applications, including supporting documents.

ROOM AND BOARD

Students will be expected to live in the dormitories on campus, but permission to live off-campus will be granted for good reason. The dormitory rooms are spacious and unusually attractive; many have balconies looking out on the nearby mountain ranges. Dormitory suites are available for married couples without children. All dormitory students will be provided 21 meals a week in the students dining hall. Off-campus students are required to purchase meal tickets for five lunches and two dinners (on seminar evenings) in the dining hall each week.

The College cannot take responsibility for securing off-campus housing for students, and those students who plan to live in town are advised that housing is difficult to obtain during the summer months.

MEDICAL SERVICES

The College maintains a well-equipped modern infirmary located in the women's dormitory complex, and the services of a resident Registered Nurse are provided for Institute students. Sick call is held twice daily, and referrals to Santa Fe physicians are made when necessary.

A certificate of health is sent to applicants who have been accepted to the Institute. These forms require a physical examination by a physician, and must be completed prior to registration.

SANTA FE

Santa Fe is the oldest capital city in the United States, and has served as fortress and administrative headquarters for four sovereign governments. It was founded in 1610 by mission priests as the City of Holy Faith.

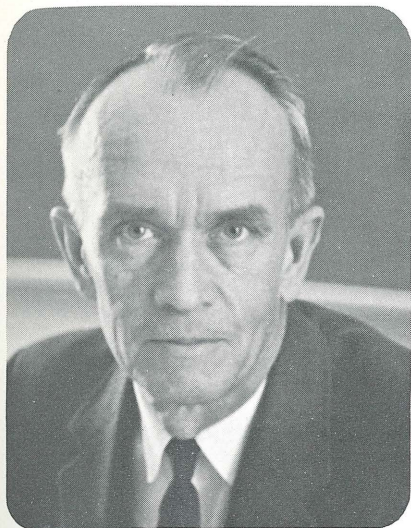

Known today as the "City Different," Santa Fe offers rewarding cultural activities throughout the summer, and splendid scenery within short distances. The world-renowned Santa Fe Opera and the Santa Fe Theater Company present excellent professional performances, and the city itself contains a wealth of ancient landmarks, historical sights and religious shrines, most of which are carefully preserved and open to visitors throughout the summer months. Book stores, shops, galleries and studios predominate in the historic sections of the city.

St. John's College is located on a 260-acre site on the western slopes of the Sangre de Cristo Mountains within the city of Santa Fe, and is a 7-minute drive from the downtown plaza. Completed in 1964, the College offers beautiful modern facilities, all of which will be open to Institute students. The College tennis courts, athletic field and horseback riding facilities are made available to students, and bus service is provided from the College to the downtown plaza. Students have arranged their own field trips to nearby Indian Pueblos.

Santa Fe is at an altitude of 7,000 feet, and the student should be prepared for warm days and cool evenings. The climate is unexcelled for summer comfort. The temperature rarely reaches 90° in mid-day, and never fails to fall below 60° in the evening. Sweaters and casual clothing are recommended.

THE FACULTY

IN 1969

**Richard D. Weigle, President
St. John's College**

received B.A., M.A. and Ph.D. degrees from Yale University. Mr. Weigle taught at Yale-in-China and at Carleton College before serving in World War II in the Far East and then in the Far Eastern Office of the Department of State. He came to St. John's in 1949 as President, and founded the Santa Fe campus in 1964. He is a past President of the Maryland Association of Boards of Education and past Chairman of the Association of American Colleges.

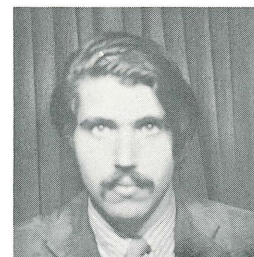

**James P. Shannon, Director
Graduate Institute in Liberal Education**

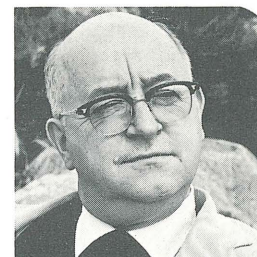

James P. Shannon, Director of the Graduate Institute in Liberal Education received the B.A. degree in classics from the College of St. Thomas, 1941; the M.A. in English from the University of Minnesota, 1951; and the Ph.D. from Yale in American History, 1955. His doctoral dissertation at Yale was awarded the George Washington Eggleston Prize. From 1956 to 1966 he served as President of St. Thomas and in 1966-67 he was chairman of the Board of the Association of American Colleges. He has been a tutor at St. John's in Santa Fe since February 1, 1969, and Vice President of the College since September 1, 1969.
