## Kay Harvey

*New Work on Paper and Canvas*

Born and raised in New Mexico, Kay Harvey has been painting and drawing since a very young age. Influenced by the dynamic environment and cultures of the region, her earlier art focused on bright colors and landscape imagery. Over the past seven years, Ms. Harvey has shifted the focus of her work away from "the horizon and the pretty colors" to more personal explorations of form, texture, line and color. This mixed media exhibit will be her first in New Mexico since 1986. The show continues through February 26.
