Company Summary

Established in 1998, Skillsoft is one of the world's most established providers of digital learning solutions. For more than 20 years, Skillsoft has supported business skills development using its own extensive global portfolio of digital learning content, covering technology, personal effectiveness and business skills. This can be made available through their own learning experience platform (LXP) Percipio, or through a company's own learning management system (LMS) or other LXP solutions.

Fosway Key Headlines

- ▶ *Global provider with an extensive portfolio of multilingual digital learning content covering leadership, personal effectiveness, compliance, technology, transformation, developer coding and business skills.*
- ▶ *Deeply experienced in supporting large global enterprise clients, Skillsoft has maintained a loyal and strong customer base which includes many of the world's most recognisable global brands.*
- ▶ *An extensive set of curated learning experiences across all sectors using more than 700 learning paths.*
- ▶ *Pre-curated Aspire Journeys provide role and skills-based learning with simple to navigate content in a variety of formats from books to videos, full courses to micro-learning, audiobooks to live bootcamps.*
- ▶ *Excellent reputation for ensuring content is continuously updated with the latest insights and information. The company invests significantly in maintaining its catalogue and adding new titles.*
- ▶ *Able to provide hands-on learning through Code Academy for IT programming teams, as well as labs for effective practice. Executive coaching can be provided as part of blended delivery via Pluma.*
- ▶ *Skillsoft's Percipio LXP is highly rated by customers for delivering a personalised learning experience through targeted recommendations, and its use of portable digital badges enables learners to display and share their achievements.*
- ▶ *Combined with hosting their own content, customers can use Percipio as a single portal for onboarding, job training and strategic change initiatives, combining custom and off -the-shelf content from a range of sources, in addition to Skillsoft content.*

- ▶ *Consistently strong customer satisfaction, the company has a solid reputation for making organisational learning successful through proactive partnering, speed of delivery and practical execution.*
- ▶ *Good pace of innovation – including features like Embedded Learning Synchronized Assistant (ELSA) which enables organisations to support workflow-based learning through a browser plugin.*
- ▶ *Good customer reputation for providing good value for money services and solutions at scale.*

About This Snapshot

The Fosway 9-Grids™ are the only in-depth, independent vendor analysis supporting European corporate buying decisions on Next Gen HR, Talent and Learning. Our 9-Grid™ Vendor Snapshots review solutions from key providers in the market and deliver a short-cut to expert insights and analysis that aims to help accelerate and de-risk the procurement process. [You can read more about our assessment criteria here.](#)

Next Steps

When there are so many different paths and so much conflicting advice available, how do you make the best decisions and plan your next gen HR, talent and learning strategies?

You certainly need to get a wider view and deeper insight than just speaking to suppliers. As Europe's

#1 HR industry analyst, that's where Fosway comes in. Referencing the 9-Grids™ is a great place to start when evaluating current suppliers, planning your future or looking for new tools and technology. But what you see here is just the tip of the iceberg.

Why start your procurement process from scratch when we already have the research and insight to help you make better supplier decisions much faster? As well as accessing the best existing research and market insight, you also have the security of knowing that we are completely independent and don't have a vested interest in the outcome, other than helping to ensure it's the best decision for your organisation and for your people.

Contact us today at info@fosway.com or by phone on **+44 (0)20 7917 1870** to understand how Fosway can help you make better informed next gen supplier and strategy decisions.

About Fosway Group

Fosway Group is Europe's #1 HR Industry Analyst focused on Next Gen HR, Talent and Learning. Founded in 1996, we are known for our unique European research, our independence and our integrity.

For over 20 years, we have been analysing the realities of the market, and providing insights on the future of HR, Talent and Learning. Fosway analysts work extensively with our corporate clients to understand the inside story of the challenges they are facing, and their real experiences with next gen strategies, systems and suppliers. Our independent vendor analysis also provides a vital resource when making decisions on innovation and technology.

And just like the Roman road we draw our name from, you'll find that we're unusually direct. We don't have a vested interest in your supplier or consulting choices. So, whether you're looking for independent research, specific advice or a critical friend to cut through the market hype, we can tell you what you need to know to succeed.

Example clients include: Alstom, Aviva, Boots UK, BP, BT, Centrica, Faurecia, HSBC, International SOS, Lloyds Banking Group, Novartis, PwC, Rolls-Royce, Royal Bank of Scotland, Sanofi, Shell, Swiss Re, Telefonica, Thomson Reuters, Toyota Europe, and Vodafone.
