Some parklets phase out in October

Grace Inez Adams

GONE: Local businesses that chose not to enroll in the new permanent Santa Monica Outdoors parklet program closed up their parklets on Friday, ushering in a new era for the popular outdoor use program that sprang up during COVID-19 lockdowns in 2020.

The City of Santa Monica has spent the past several months working to codify a slap-dash temporary outdoor ordinance that allowed restaurants and other businesses like gyms and salons to set up shop on parking spaces in commercial districts including Main Street.

Changes that will make the program permanent will also impose fees on businesses that had enjoyed the fee-free model up to this point, including a one-time wastewater fee of more than $1,300 per additional seat. City staff said about 70 businesses enrolled in the permanent program; those that did not enroll had to clear their parklet spaces by Sept. 30.

Memorial Park expansion funding under negotiation

EMILY SAWICKI
SMDP Staff Writer

With the passage of the Measure V school bond in 2016, Santa Monica College committed to pledging $20 million toward a redevelopment of Memorial Park that was first envisioned in 1997. Negotiations between Santa Monica city staff and school officials to move that project forward were crawling along when the pandemic hit, placing the whole plan on ice. Now, city council wants to see the park's remodel begin again.

On Tuesday, Sept. 27, council voted unanimously, 7-0, to ask staff to restart negotiations on that $20 million pledge that would cover the first phase of the extensive project that would expand the usable area of the park and add additional sports facilities.

Currently, the 10.3 acre park houses six sports diamonds, four tennis courts, a skate park, playground and community center/gym, with a 2.9-acre adjacent site housing equipment and some city offices. That adjacent property is set to be enveloped into the park expansion.

Don't park on the sidewalk

MATTHEW HALL
Daily Press Editor

The City of Santa Monica would like you to stop parking like a jerk.

Starting Nov. 1, the police department's Traffic Services Divisions will begin enforcing a section of the city's municipal code prohibiting drivers from parking on any sidewalk, parkway, or curb, other than a driveway or roadway.

According to City Hall, a "parkway" is the area of the public right-of-way not intended for vehicular use and refers to the portion of a street other than a roadway or a sidewalk. The parkway commonly sits between the sidewalk and the street curb. A parkway can also be located where no curb exists between the

Music Guild Announces 2022/23 Season

St. Matthew's Music Guild has announced its upcoming season of concerts to take place at its Pacific Palisades home beginning October 14. The series will feature an array of internationally acclaimed artists and world premiere performances of new works by Richard Danielpour, David Conte and Dante De Silva. Featured soloists include Boris Allekhverdyan, Movses Pogossian, Inna Faliks, and David Kaplan. The Chamber Orchestra at St. Matthew's, now in its 38th year and under the direction of Dwayne S. Milburn will headline five concerts along with a solo piano recital and choral concert.

The season begins October 14 with a return visit by violinist Movses Pogossian in the Violin Concerto by Samuel Barber. Pogossian, Professor of Violin at UCLA, made his American debut performing the Tchaikovsky Concerto with the Boston Pops in 1990. He regularly performs with orchestras throughout the U.S., Europe, and Asia. Boris Allekhverdyan, Principal Clarinet of the Los Angeles Philharmonic, will join the orchestra November 11 for the world premiere of Richard Danielpour's "Four Angels," a Music Guild commission.

The Guild's annual holiday concert on December 9 will feature "Winter" from Vivaldi's "Four Seasons," Georg Philipp Telemann's "Overture des nations anciens et modernes" and the Magnificat of Carl Philipp Emanuel Bach.

On February 10, Pianist David Kaplan presents a program whose title is borrowed from Beethoven's "Moonlight Sonata." "Quasi una fantasia" will include music of Couperin, Janacek, Brahms and Casarrubios. Pianist Inna Faliks returns to the Music Guild on March 24 in Beethoven's Piano Concerto No. 4. The program will also feature music of Frederick Delius and Fanny Mendelssohn.

The season concludes on June 2 with the world premiere performance of a new work for choir and orchestra by David Conte, along with Mozart's "Solemn Vespers." The concert also includes the world premiere of "Hermitage" by Los Angeles composer Dante De Silva featuring steel drum virtuoso Tyler Hunt.

Season passes are available for as little as $200. Individual tickets are $35. All concerts take place at St. Matthew's Church, 1031 Bienveneda Ave., Pacific Palisades. For complete information, tickets and season passes visit MusicGuildOnline.org.

NOTICE OF PUBLIC HEARING
BEFORE THE SANTA MONICA CITY COUNCIL

SUBJECT: Consideration of proposed resolution to adjust the Affordable Housing Unit Base Fee and the Affordable Housing Unit Development Cost for new market-rate multifamily development pursuant to Santa Monica Municipal Code Section 9.64.070(B).

WHEN: Tuesday, October 25, 2022
5:30 P.M.

WHERE: Santa Monica City Hall, Council Chambers, Room #213
1685 Main Street
Santa Monica, California

HEARING DESCRIPTION

The City Council will conduct a public hearing regarding the proposed adoption of two resolutions which would adjust the Affordable Housing Unit Base Fee and the Affordable Housing Unit Development Cost that developers of multi-family projects may pay to the City pursuant to Section 9.64.070(b) of the City's Affordable Housing Production Program. The existing Affordable Housing Unit Base fee for new market rate apartments of $35.50 per square foot would be increased by $3.62 per square foot of floor area and the existing Affordable Housing Unit Base fee for new market rate condominiums of $41.47 would be increased by $4.23 per square foot of floor area. Effective on December 1, 2022, the adjusted Affordable Housing Unit Base fee would be $39.12 per square foot of floor area for new market rate apartment buildings and would be $45.70 per square foot of floor area for new market rate condominium buildings. The existing Affordable Housing Unit Development Cost of $372,460 would be increased by $37,991. Effective December 1, 2022, the adjusted Affordable Housing Unit Development Cost would be $410,451.

The adjustments to the Affordable Housing Unit Base Fee and the Affordable Housing Unit Development Cost reflect changes in land and construction costs based on a methodology adopted by the City Council on June 13, 2006. An explanation of this methodology and the resulting adjustment to the fee and unit development costs are set forth in memoranda prepared by the City. Copies of these memoranda are now available at the City Clerk's Office in Room 102 of City Hall, 1685 Main Street, Santa Monica, California. This information is also available on the City's web site (Housing section).

MEMORIAL PARK

FROM PAGE 1

ballot text, "the college will provide up to $20 million in bond funds for the expansion of the City of Santa Monica's Memorial Park to accommodate soccer and/or other field sports for use by college students and the general public."

True to its word, SMC, along with the Santa Monica-Malibu Unified School District (SMMUSD) and city representatives were in the midst of negotiations when the pandemic struck, according to a report by Senior Design Manager Amelia Feichtner, who works for the City of Santa Monica Public Works Department.

"In October of 2019, city council reviewed the Memorial Park redevelopment and expansion master plan that was the product of [a] community engagement process and directed staff to seek proposals for the design and construction services in phases one and two of ballpark redevelopment and expansion," Feichtner told council on Tuesday. "In addition, council authorized staff to negotiate joint use agreements with Santa Monica College and Santa Monica-Malibu Unified School District."

At the time, funding for the project included the $20 million from SMC plus a goal of an additional $5 million from the SMMUSD's Measure SMS bond and another $5 million from the city's capital improvement budget, making up a $30 million phase one budget.

A deal was struck by February 2022, but that all went out the window with COVID-19 shutdowns.

As of this week, following years of shaky financial footing due to the pandemic, city staff said the prospective phase one budget had shrunk down to just the $20 Measure V funding.

"The master plan for Memorial Park always envisioned a phased approach for construction that would be implemented over time as funding is available," Feichtner said, later adding, "Moving forward, the only project funds currently available may be the $20 million dedicated to the park redevelopment from the SMC bond measure that had been preserved for this park expansion since the project was suspended as a result of the pandemic. Therefore, in order to begin implementation of a master plan now, it would be necessary to segment the project into additional smaller phases."

In current project plans under the tightened budget, staff said there was no funding to replace a playground that was to be removed as part of the remodel.

Discussing the project on Tuesday, council members expressed needs various residents brought forward to them including a desire to maintain or expand baseball/softball diamonds, pickleball courts, tennis courts and playgrounds.

Mayor Sue Himmelrich said new statewide rules under AB 2011 — a bill Gov. Newsom signed into law in September that allows for by-right approval of affordable housing on commercially-zoned property — could mean there are more apartment buildings going up in the area near Memorial Park where children would not have private backyards in which to play.

"As we move forward with this Memorial Park plan, I think we need to address the fact that part of our city may become much more densely housed and people who live there should be within walking distance of a space where they can just go and if they're not participating in a diamond sport still have some space just to run around and recreate," Himmelrich said.

Specific project plans were not part of the decision made on Tuesday; at the time, council asked staff to reenter negotiations for the $20 million funding, as well as look for locations where equipment stored on the park site can be moved to facilitate the park remodel.

CANDIDATE QUESTIONS

Council Candidate: Samantha Mota

All candidates were given an opportunity to provide written answers to a set of questions provided by SMDP and two sets of answers will be printed each day. Answers are also available online alongside additional information from each candidate.

WHAT IS YOUR JUSTIFICATION FOR USING GOVERNMENT AUTHORITY TO REQUIRE PRIVATE PROPERTY OWNERS TO SUBSIDIZE INFLATION, FEES, UTILITIES AND OTHER COSTS FOR RENT CONTROLLED TENANTS?

The justification for using government authority to require property owners to subsidize costs for rent controlled tenants is to provide security from rent increases, potentially limiting displacement. This is a benefit for tenants who have created social networks in their neighborhoods but it isn't the solution to housing affordability & accessibility, inequality, poverty, or racially-charged practices that continue to this day. As a tenant of a rent-controlled unit, I can guarantee that it has given my family the affordability & accessibility to thrive and strive, and without it, we probably wouldn't be here.

DO GOVERNMENT SUBSIDIES OF HOMELESS SERVICES DO MORE TO GET PEOPLE OFF THE STREETS OR ATTRACT MORE INDIVIDUALS TO THE CITY? DEPENDING ON YOUR ANSWER, WHY SHOULD THAT MONEY CONTINUE TO FLOW TO SERVICE PROVIDERS OR BE REASSIGNED TO OTHER NEEDS?

Government subsidies of homeless services does both because they provide those at risk of going homeless or becoming homeless with the security of assistance and safety-net programs. However, it does attract other vulnerable individuals who are homeless and have a wide-array of issues (drugs, mental health, etc.) to Santa Monica. Therefore, that money should be thoroughly and properly reassessed to see whether it should continue flowing to the service or reassigned to other needs.

WHY HAS SANTA MONICA BECOME A HUB OF TRANSIT INNOVATION INCLUDING SCOOTERS, SELF DRIVING CARS, DELIVERY DRONES AND ZERO-EMISSION VEHICLES AND IS THIS INDUSTRY ONE THAT SHOULD BE ENCOURAGED TO GROW HERE?

Santa Monica has become a hub of transit innovation to meet Vision Zero and meet the Paris Agreement by 2030. The City is finding opportunities to reduce emissions and community carbon impact, as a means to combat climate change and greenhouse gas mitigation. The industry should be encouraged as we move to an unprecedented future for generations to come because who knows if there will be clean air, food, or water.

WHAT SPECIFIC TECHNOLOGICAL, POLICY OR REGULATORY IDEAS DO YOU HAVE TO ADDRESS RESIDENT CONCERNS ABOUT A DECLINING QUALITY OF LIFE IN SANTA MONICA?

I would like to amend AB 551 (The Urban Agriculture Incentive Zone Program) into our Zoning and Land-Use Related Provisions to address resident concerns about the declining quality of life in Santa Monica to combat food insecurity, ensure community access to safe and equitable spaces, and beautify our neighborhoods. Not only that, it would generate revenue for the City by selling food to local restaurants and providing affordable, fresh, and locally grown produce to our community. And, excess produce that isn't sold or utilized could be donated to food pantries or shelters.

Furthermore, I would also amend SB 9 & 10 to address Santa Monica's racially-charged practices that continue to day. It would end single-family zoning to fight the housing crisis and upzone neighborhoods that would often be left untouched.

Everyone has great ideas to bring to the table that we can learn from, for example, I learned about Measure H. It would allocate funds for the City for homeless prevention programs, Outreach & Overdose sites, Interim, Permanent, and Affordable Housing, and a wide variety of supportive services.

WHAT ROLE DOES TOURISM PLAY IN SANTA MONICA'S CULTURE, ECONOMY AND GOVERNMENT?

Tourism plays a huge role in Santa Monica's culture, economy and government because of its economic values. It is a key component towards funding for jobs, schools, parks, libraries, and other valuable public services, which are supported with revenue from tourism.

DOES SANTA MONICA'S APPROACH TO LAW ENFORCEMENT NEED TO CHANGE AND IF SO, WHAT WOULD YOU DO TO ALTER THE DEPARTMENT TO MEET THE NEEDS OF THE CITY?

After SMPD's failed response to the looting that happened a couple years ago, I would integrate working with the Public Safety Reform & Oversight Committee (PSROC) to ensure all OIR recommendations are met to prevent future response failures. And, bring new police polices and practices to transform our police department, their role and relationship in the community, accountability, and training. But most of all, police departments should not be investigating themselves, so empowering the PSROC to build community trust, transparency, accountability, and credibility is important.

HOW DO STREET VENDORS IMPACT THE EXPERIENCE OF USING SANTA MONICA'S PUBLIC SPACES?

Street vendors impact the experience of using Santa Monica's public spaces by expanding economic opportunity and bringing great food. But, also bring environmental impacts and public safety issues that could potentiality be solved with proactive advocacy and education and a streamline for access to permitted food vending.

DO YOU THINK RESIDENTS FUNDAMENTALLY TRUST LOCAL GOVERNMENT AND WHAT CAN BE DONE TO ADDRESS THE FEELINGS MANY RESIDENTS HAVE REGARDING LOCAL POLITICS?

I do not believe residents fundamentally trust local government. But as an active community member and activist, I can guarantee that having a council that is engaged and involved in community spaces, schools, programs, etc is a way to address the lack of accountability, credibility, transparency, and trust between residents and local governments, as well as the feelings many residents have towards local politics. To add, ensuring the voice of the community is at the table is another way to address the comments and concerns of the community we are meant to serve.

CANDIDATE QUESTIONS

Council Candidate: Jon Mann

All candidates were given an opportunity to provide written answers to a set of questions provided by SMDP and two sets of answers will be printed each day. Answers are also available online alongside additional information from each candidate.

WHAT IS YOUR JUSTIFICATION FOR USING GOVERNMENT AUTHORITY TO REQUIRE PRIVATE PROPERTY OWNERS TO SUBSIDIZE INFLATION, FEES, UTILITIES AND OTHER COSTS FOR RENT CONTROLLED TENANTS?

I have no justification. Single family home owners should not be penalized with excessive property taxes. The city should tax the big corporate developers responsible for rent gouging and tax them for vacant apartments, unless they give a discount to help recruit police officers to live where they work..

DO GOVERNMENT SUBSIDIES OF HOMELESS SERVICES DO MORE TO GET PEOPLE OFF THE STREETS OR ATTRACT MORE INDIVIDUALS TO THE CITY? DEPENDING ON YOUR ANSWER, WHY SHOULD THAT MONEY CONTINUE TO FLOW TO SERVICE PROVIDERS OR BE REASSIGNED TO OTHER NEEDS?

Homeless services attract many homeless individuals to the city who are homeless by choice so they can spend their entitlements on drugs. These street thugs are free to roam the city committing misdemeanors with very little enforcement. They sleep and defecate in public. They have taken over Reed Park and the Promenade at night, etc.

Many deserving homeless fall through the cracks because they are afraid to use homeless services. The money should be targeting these homeless so they feel safe, and help them find work so they can develop self esteem through gainful employment.

WHY HAS SANTA MONICA BECOME A HUB OF TRANSIT INNOVATION INCLUDING SCOOTERS, SELF DRIVING CARS, DELIVERY DRONES AND ZERO-EMISSION VEHICLES AND IS THIS INDUSTRY ONE THAT SHOULD BE ENCOURAGED TO GROW HERE?

The City Council encourages these so called 'transit innovation vehicles' to increase revenue. They have taken over the bike paths and are dangerous. The new bike lanes on Broadway are especially dangerous to cyclists, forcing us to ride on the sidewalk until it is safe to enter the lane.

WHAT SPECIFIC TECHNOLOGICAL, POLICY OR REGULATORY IDEAS DO YOU HAVE TO ADDRESS RESIDENT CONCERNS ABOUT A DECLINING QUALITY OF LIFE IN SANTA MONICA?

I have been advocating for a Virtual Town Hall on the City website for grass roots, participatory democracy for transparency and accountability, with forums on issues like District Elections, Crime, Law Enforcement, Homelessness, Water Resources, Auditing the Budget, Tourism, Small

Business, Street Cleaning, Auditing the Budget, Reducing Resident Taxes, Parking, Traffic, etc.

The City Council will not implement such a revolutionary tool to empower residents and give them a voice in City government because it will expose and limit the power of special interests that run this city. It will force the City Council and City Staff to listen to our complaints and suggestions when thousands of their constituents reach consensus through this interactive interface.

WHAT ROLE DOES TOURISM PLAY IN SANTA MONICA'S CULTURE, ECONOMY AND GOVERNMENT?

Too much!

DOES SANTA MONICA'S APPROACH TO LAW ENFORCEMENT NEED TO CHANGE AND IF SO, WHAT WOULD YOU DO TO ALTER THE DEPARTMENT TO MEET THE NEEDS OF THE CITY?

The city needs to hire more police officers and find ways to give them incentive to live in the City they police. There is no shortage of housing in Santa Monica there are thousands of units off the market because of rent gouging.

I suggest the City use a two pronged approach:

A. encourage the corporate owners of luxury apartment complexes to give a generous discount to police officers to help SMPD recruit and retain cops who live where they police..

B. If they refuse to help, tax them for every vacant corporate luxury apartment.

HOW DO STREET VENDORS IMPACT THE EXPERIENCE OF USING SANTA MONICA'S PUBLIC SPACES?

The situation on the Pier was out of control for too long. The gangs must not continue to control vending in LA county; this is a county wide problem.

DO YOU THINK RESIDENTS FUNDAMENTALLY TRUST LOCAL GOVERNMENT AND WHAT CAN BE DONE TO ADDRESS THE FEELINGS MANY RESIDENTS HAVE REGARDING LOCAL POLITICS?

I emphatically do trust the government. They are hampered by their special interest endorsements. If I am elected I would represent only the residents.

I would fight to end the 3 day work week and excessive over time, and use the savings to hire more cops. Our cops are not the kind of cops who beat law offenders, but they're trained to coddle criminals far too much and their hands are cuffed when it comes to enforcing the law.

I have 10 years in law enforcement and if elected I would meet with the LA County Chief Probation Officer Adolfo Gonzales and Santa Monica Police Chief Ramon Batista to work together to violate

to put repeat offenders back behind bars.

Drug users would be given a choice between jail and rehab paid for by LA County

I would also meet with Karen Thacker, Regional Parole Administrator for Southern California Adult Authority.

There will be a new Sheriff in town soon and the City should work with all outside law enforcement, especially when there is a situation like what occurred May 31, 2020. Many of our

off duty officers live an hour or more commute away. If the Santa Monica Fire Department can work with other Fire Departments during wildfire season, why can't our police share resources with the LAPD, Culver City, the LA County Sheriff, Probation and Parole services, etc. when there is out of control street crime, riots in our city, homeless encampments, etc.?

PLACE YOUR CLASSIFIED HERE

TODAY'S BIRTHDAY (Oct. 3)

You won't be the only one making sure your plans come to fruition. A powerful benefactor will speed things along. Efforts made in the name of love, like traveling to be with someone or finding novel ways to celebrate, will energize your world. What you give won't just be reciprocated, it will lead to legendary experiences. Aries and Aquarius adore you. Your lucky numbers are: 2, 4, 11, 19 and 15.

HOROSCOPES

ARIES (March 21-April 19). There are two people you know who simply must meet. You could affect destiny by making the introduction. Just think about the implications, strange but true: The world is forever altered by people meeting people.

TAURUS (April 20-May 20). There's a battle of wills going on, but it's so subtle it's possible that only the insiders can detect it. You know better than to underestimate anyone. The gentle, sweet people can put up the toughest fight.

GEMINI (May 21-June 21). There are reasons you're not inclined to ask directly for what you want. Trust your ability to read the room. You may still get what you want without asking. Your desire is obvious and there are many helpers around.

CANCER (June 22-July 22). People will want to do things for you today. You can ask the hard questions, enlist help with tedious tasks and get people to sign up for the race, contribute to the cause or buy what you're selling -- all thanks to your irresistible charm.

LEO (July 23-Aug. 22). No one is perfect. Accepting faults is about more than grace and forgiveness; it's about saving time. Who needs the drama of warring against reality? When you avoid pettiness, you give yourself the gift of time and energy.

VIRGO (Aug. 23-Sept. 22). You'll be invigorated by the creativity flowing through you today, which you'll apply to creating an easier, more harmonious and lovely experience for yourself and others.

LIBRA (Sept. 23-Oct. 23). You'll get into the zone of being at once relaxed and aware. You approach common activities with uncommon grace. At the heart of good manners, best practices and success at so many things: paying attention.

SCORPIO (Oct. 24-Nov. 21). In theory, your feelings happen inside you and therefore independent of the behaviors of others. But of course, it doesn't work this way. You'll be surprised and comforted by the ways in which you're connected to others.

SAGITTARIUS (Nov. 22-Dec. 21). Image matters, but how much? Just like everyone, you'd like to be seen in a certain way, though you're usually too busy actually being that person to worry much about it. People will know you by your actions.

CAPRICORN (Dec. 22-Jan. 19). You can get a little wild when you let yourself. If the wildness in you were predictable, it couldn't be called wildness. It's not something you cultivate, it's something you get to know. Sit back and observe and admire.

AQUARIUS (Jan. 20-Feb. 18). Someone gives you a tall order. What makes it challenging is the fact that you've never done it before. It won't be difficult, just new. Don't be too proud to ask questions. This will be your success key.

PISCES (Feb. 19-March 20). As you get older you care less and less about being liked. You still do likable things, but it's because they are the right, fun, easy and in many cases automatic thing to do. Likability is in your nature.
