

CANDIDATE PROFILES 2018
City Council

ASHLEY POWELL

The Daily Press will run a profile of each candidate in the 2018 election.

NAME: ASHLEY POWELL
AGE: 29
OCCUPATION: NONPROFIT EVENT PLANNER, NONPROFIT CONSULTANT
NEIGHBORHOOD OF RESIDENCE: NORTH OF MONTANA
OWN OR RENT:
OWN (RESIDE WITH MY PARENTS)
MARITAL STATUS/KIDS:
ENGAGED NO CHILDREN, WE EACH HAVE A NIECE AND NEPHEW
PARTY AFFILIATION: DEMOCRAT

WHO HAS THE BEST CHEESEBURGER IN SANTA MONICA?

Hillstone/R+D #1, Hiho great, and Umami Burger is also a favorite.

WHAT IS THE CITY DOING TO ANCHOR PROMISING STARTUP COMPANIES TO SANTA MONICA AND SECURE LOCAL JOBS?

I am not sure that we are doing enough. We currently have some very promising startups headquartered in Santa Monica including Bird, Patient Pop, Snapchat. I know people who work at all three, which is why I chose those three in particular. Santa Monica is a great place to work. We must ensure that startups know this and feel comfortable coming

State law to help taxi industry could restrict access in Santa Monica

File Photos

ENDANGERED: Metro cab has already left the city and other companies might be prohibited from using City taxi stands soon.

MATTHEW HALL
Daily Press Editor

Santa Monica's taxi industry is facing yet another significant disruption as changes to state law are forcing City Hall to update rules for taxis within city limits.

Under the set of proposed changes, taxi companies would gain more flexibility to set rates but some companies currently operating here would be banned from accessing the city's official taxi stands.

Rideshare companies have wrecked the taxi industry. Of the five companies that were authorized to operate locally, one has already pulled out of Santa Monica. Metro Cab withdrew from the market in January of 2018 citing the impact of companies like Uber and Lyft.

Four taxicab companies remain Bell Cab, Independent Taxi Owners' Association, Taxi! Taxi!, and Yellow Cab. Those companies have submitted applications to operate 137 cabs citywide but according to

staff, the peak number of taxis in the city was around 94 last year.

According to the staff report, from 2013 through 2017, taxicab trips have fallen 80 percent and gross revenue has declined 64 percent. For January to July of this year, trips are down 24 percent year-over-year, and revenues have dropped 25 percent.

However, staff said there's still a need for taxi service. About 150,000 trips use a

Staff hope renewable energy will spark interest among power customers

MATTHEW HALL
Daily Press Editor

Santa Monicans could soon receive 100 percent of their electricity from renewable sources if council approves a staff recommendation to join a new power provider at the most sustainable level.

Santa Monica will be part of a Community Choice Aggregation system next year that gives customers the ability to choose who they purchase electricity from and what percentage they receive from renewable sources. Locals will be automatically enrolled in a default option as of January 1 and

Cover-up allegations follow city worker's arrest for child molestation

MATTHEW HALL
Daily Press Editor

The arrest of a city employee on charges of child molestation has prompted accusations officials knew about the situation for years and did nothing to protect local youth.

Eric Uller, Principal Technology Analyst with the city's information

technology department was arrested by the Los Angeles County Sheriff's Department (LASD) on Thursday, Oct. 18, on charges that translate to lewd and lascivious acts on a minor ages fourteen (14) or fifteen (15) years old. Uller is accused of four counts related to

POWELL

FROM PAGE 1

to Santa Monica. Also, people who work there need to be able to afford to live where they work. We have a lot of work to do in regards to that aspect.

HAVE YOU BEEN THE VICTIM OF A CRIME IN SANTA MONICA IN THE PAST TWO YEARS AND WHAT HAPPENED?

No. I consider myself very fortunate.

WHAT SANTA MONICA SERVICE OR PROFESSIONAL ORGANIZATIONS DO YOU BELONG TO? HOW MANY HOURS PER WEEK DO YOU VOLUNTEER INSIDE SANTA MONICA?

I belong to the Planned Parenthood Action League of Santa Monica (prior to this election cycle I was one of their most dedicated volunteers and I attend their events/meetings/phonebanks when I can now) and the Santa Monica Democratic Club.
In LA County I am a lay leader for the Anti-Defamation League, member of Los Angeles County Young Democrats, Advocate for the National Council of Jewish Women, and an original community outreach member of Swing the Seven. I am also a Board Member for United in Harmony and I frequently volunteer at the Westside Democratic Headquarters.

Prior to the campaign, which has greatly reduced the amount of time that I have to volunteer, I would typically spend 10-20 hours a week doing volunteer work of some kind.

DO YOU HAVE AN ACCOUNT WITH BIRD, LIME, JUMP, LYFT, UBER AND/OR BREEZE FOR SCOOTERS AND BIKES? WHICH ONE DO YOU USE MOST FREQUENTLY?

I have an account with Lyft and with Uber. I use Lyft nearly every day. I have tried Bird and found that it was awesome. I would ride an E Scooter but I am unfortunately not able to ride one because of my back condition.
My doctors have told me that it would be dangerous for me as I am also not supposed to ride a bike outside due to the risk of accidents.

WHAT, IF ANY, IS THE CONNECTION BETWEEN CRIME AND HOMELESSNESS?

There is some connection according to studies. As someone who has worked professionally with homeless populations, I want to reiterate how important it is that

we not scapegoat any group of our fellow citizens. Increases in homelessness can often lead to increases in crime because the homeless provide a much more vulnerable target for common criminals. It is much easier to prey on the homeless than others because they often lack security and do not have places to store their money and valuables. Desperation makes one an easier target for those who want to scam people out of what little they have.

It is important to remember that the homeless people are our fellow citizens, neighbors, and Santa Monicans too. By protecting and caring for the homeless, we will ultimately reduce crime.

WHICH THREE LOCAL BUSINESSES KNOW YOU BY NAME?

Again I need to name more than three:
Bread and Porridge (I was just there yesterday)
Frozen Fruit Co (I am obsessed)
The Brixton SM (they have awesome food and drinks)
The Gables (they also have awesome food and drinks and are a new hotspot)
Texture (this is my grandmother’s favorite clothing store for sweaters)

WHAT DOES IT MEAN FOR THE CITY’S TRAFFIC MITIGATION EFFORTS IF BBB IS CONSIDERING REPLACING BUSES WITH CARS ON SOME ROUTES?

I think it could be a sign that we are getting smarter about our targeting of resources in order to mitigate traffic. Bus routes that do not receive high ridership are not going to be effective for mitigating traffic.

HOW WILL THE CITY’S ECONOMY SURVIVE THE CONTINUED DECLINE IN RETAIL SALES?

I believe that we have to look at repurposing our retail spaces for the new economy. I do not believe that traditional brick and mortar retail is destined to become obsolete as online retail continues to expand. In some cases, once online-only outlets have begun creating brick and mortar shops of their own. Shopping centers have been looked upon as dying but those that reinvent themselves locally (like Century City and the Beverly Center) have continued to thrive and even expand. As a city, we will have to think like that in order to protect brick and mortar retail.

SEVERAL DOWNTOWN PROJECTS (THE FAIRMONT,

THE GEHRY PROJECT AND 4TH/5TH AND ARIZONA) ARE STILL WORKING THROUGH THE CITY PROCESS. WHAT DOES THE FINAL BUILDOUT OF DOWNTOWN LOOK LIKE?

Some people may dislike this answer but the final buildout of downtown will look denser and taller and include more residential housing including more affordable housing. Santa Monica cannot become the playground for the rich but instead must remain a city where people from all economic backgrounds can afford to live. Our downtown is the best place to build affordable housing, which is so important for the future of Santa Monica.

WERE THE CHANGES TO THE PIER CONCERTS A POSITIVE FOR THE SHOWS, THE PIER AND THE COMMUNITY?

I believe so, but we need more time to tell.

HOW DO YOU DEFINE PROGRESS FOR A COMMUNITY LIKE SANTA MONICA?

Santa Monica is a very progressive community. However, Santa Monica cannot solve all the world’s problems on its own (as much as I and so many others really want to). In that regard, progress for Santa Monica is being a leader and staying ahead of the curve in recognizing injustices and confronting new challenges in progressive ways.

SANTA MONICA RESIDENTS FEEL BESIEGED HOMELESSNESS AND MANY ARE TIRED OF BEING TOLD SOLUTIONS ARE COMING OR NEED TO BE AT THE REGIONAL LEVEL. WHAT WILL YOU DO FROM THE COUNCIL DAIS TO DIRECTLY IMPROVE THE QUALITY OF LIFE FOR CITIZENS CONCERNED ABOUT THIS ISSUE?

The biggest crisis felt in our City is homelessness. I have served the homeless for over a decade, and it is time we start making impactful decisions from the top of our city’s government to address the issues staring us in the face as we get off the freeways, as we wait in traffic under the overpasses, as we walk with our families down third street or visit our beaches.
Homelessness is a complex problem, but not so complex that we cant have an effect on it.
With collaboration between the public, private, and nonprofit sectors, we can significantly reduce it.
We should take a leading role in solving homelessness at the local and regional level.
We should create parking lot safe zones for homeless individuals who

possess automobiles. Many are unaware but a significant portion of the homeless population have automobiles which become their primary residences when they no longer have a traditional place to call home. This creates problems in a multitude of ways. First, homeless will park in neighborhoods and create unwanted blight and take away available parking spaces for residents and their guests. Second, this can lead to increased crime because those who are living out of their cars are extremely vulnerable. We should also have more access to mobile changing, storage and restroom facilities. This will protect the homeless and help our neighborhoods.

We should also use temporary accommodations, the airport hangers at the Santa Monica Airport to house the homeless, while we build more transitional housing and shelters. Once we gain back full control of the airport property, we will be able to do this. Any new development of the airport site must include the development of affordable housing including housing for the homeless. We can’t just have parks without housing because homeless people reside in our parks. Housing first works, let’s put our city forward by reducing homelessness together.

WE KNOW THE POLICE DEPARTMENT NEEDS TO HIRE MORE PEOPLE AND STATE LAWS HAVE PUT MORE CRIMINALS BACK ON THE STREETS BUT WHAT WILL YOU DO TO AT THE LOCAL LEVEL MITIGATE THE INCREASE IN CRIME?

I would implement more foot patrols and bike patrols for our police officers. I also will push for building police substations at our Expo Line stations (and hopefully stations in all future rail line developments. I support extending the Purple Line down Wilshire Boulevard and I believe that some type of Lincoln Boulevard rail line is inevitable). We should also conduct surveys of our public areas (especially walking and biking paths) to see if they are adequately lit and patrolled at night as well as landscaped properly to ensure that there are not hiding places for potential criminals. I will also work on creating neighborhood watch groups. We should bring back volunteers for SMPD as my softball coach growing up was one. We utilize SMPD to police things like handicap placards and scooters—we could have volunteers do that and have faster response times for our officers to address the crime increase.

TAXI RULES

FROM PAGE 1

taxi annually in the city. The bulk of those come from one of the franchised operations authorized by the city to take prearranged trips, pick up street hailed rides and use City taxi stands.
Changes at the state level are supposed to equalize the playing field for taxis and rideshare companies by streamlining regulations. The new rules will require the City to further refine its local regulations.
The first change limits a city’s authority to regulate taxis. Only companies “substantially located” in Santa Monica will be subject to the City’s rules, however, local municipalities retain the right to set maximum cab numbers in the city and limit access to pickups. According to staff, Taxi! Taxi! is the only company based here and will therefore be the only company covered under the City’s franchise rules. Taxi! Taxi! will be the only company able to use City taxi stands and pick up street hail passengers.
Other companies have asked the city to use a loophole that would preserve their access to the city’s taxi stands but staff said it would create significant administrative

requirements and are recommending Council reject the request.
The state rules would allow any company to pickup passengers with prearranged trips. Customers that call, use an app or make other booking arrangements can use any taxi that’s authorized to operate in any city.
Prices are also subject to change by the state law. Currently, city rules establish cab prices but the new law lets companies set their prices and adapt prices based on demand. City Hall will be able to establish a maximum price but companies can adjust down from there at will.
Staff estimate the city will lose about \$79,860 due to the changes as Bell Cab, Independent Taxi Owners’ Association, and Yellow Cab will no longer pay the franchise fees.
The recommendation to council is to extend Taxi! Taxi!’s agreement for five years while incorporating all the changes required by the state.
Council will meet on Tuesday, Oct. 23 in City Hall, 1685 Main Street. Closed session begins at 5:30 p.m. and open session begins no earlier than 6:30 p.m.

editor@smdp.com

ENERGY

FROM PAGE 1

council will debate what that default level will be at their Oct. 23 meeting.
City Staff are recommending selection of a 100 percent renewable tier as the default option. Other options include 50 percent and 36 percent with varying prices. Staff estimate the maximum tier will increase rates.
“The average residential monthly bill ranges from \$55-81 per month (2016 data),” said the staff report. “Based on this average, a 7 – 9% rate increase translates into an approximate \$4-8 increase on monthly utility bills, and \$56-72 increase in annual utility bills.”
Customers can opt out of the CCA system entirely or just choose a lower tier based on their budget. Qualified low income customers would receive a discount that would keep their rates steady.
The local CCA is known as the Clean Power Alliance of Southern California (CPA) and is a joint partnership of 31 local governments in Los Angeles and Ventura counties, including the City of Santa Monica.
All participating agencies have a say in the management of the organization with Councilmember McKeown selected as Santa

Monica’s Director to the CPA Board.
“As a CCA, the CPA can purchase clean power and sell it to customers through Southern California Edison (SCE), while SCE remains responsible for the delivery and reliability of electricity, billing, and resolving electricity service issues,” said the staff report. “CCAs are mechanisms to achieve a higher content of renewable energy, limit costs due to low overhead and no shareholder obligation and invest in local energy programs and projects. SCE currently provides approximately 34% renewable energy as its base rate product. CPA is offering 36%, 50%, and 100% renewable energy rate products.”
According to staff, electricity use is about 19 percent of the city’s total greenhouse gas emissions. Work on the program began in 2015 and local residential customers will be automatically enrolled in the program in early 2019 with non-residential customers to follow. Customers will receive two notices about the program prior to enrollment and they will receive two additional notices afterwards with instructions on how to change or opt-out of the program. Santa Monica has approximately 48,000 residential customers and 8,300 commercial customers.

ARREST

FROM PAGE 1

his volunteer time with the Police Activities League (PAL).

Uller is the second individual associated with the organization accused of improper contact with a child following the arrest of Don Condon in 2014.

Schoolboard member Oscar de la Torre runs the Pico Youth and Family Center. He said Pico residents have talked to him about their experiences with Uller and Condon.

"I have talked to people who have alleged that they were also victimized by Eric Uller and I have been contacted by a parent who has alleged that she complained about Don Condon in 2013," he said. "The rumors about Eric Uller were common knowledge amongst young Latino men in the Pico neighborhood since at least 1995."

Within 24 hours of the story publishing, several individuals also contacted the Daily Press alleging officials had prior knowledge of Uller's behavior.

City officials released a second statement on the subject Friday.

"Our hearts go out to everyone impacted by this deeply troubling situation. We again encourage anyone who has information about Eric Uller's conduct, or other information relevant to its investigation to contact the Los Angeles County Sheriff's Department

(LASD), Special Victims Bureau toll free tip line at (877) 710-5273 or by email at specialvictimsbureau@lasd.org. The City will continue to fully cooperate with the Sheriff's Department as its investigation continues," it said.

"The City is aware of the additional allegations that the City was aware of Mr. Uller's conduct and did nothing to address it. The City is in the process of retaining outside counsel to conduct a comprehensive investigation of these allegations. The City is committed to transparency and accountability. The City will take all steps to protect youth participants in all City programs, and to determine whether there have been any past failings to live up to this commitment."

According to de la Torre, the situation in Santa Monica could mirror the allegations that have surfaced with the Catholic Church, USC, Penn State or Larry Nassar. He said individuals within those organizations chose to look the other way and protect their positions of power when they should have been protecting children.

"There are high ranking members of law enforcement that were fully aware about the allegations related to Eric Uller," said de la Torre.

Uller is being held on \$2 million bail and is expected to have his first court hearing on Monday.

editor@smdp.com

CRIME WATCH

BY DAILY PRESS STAFF

Crime Watch is culled from reports provided by the Santa Monica Police Department. These are arrests only. All parties are innocent until proven guilty in a court of law.

ON OCTOBER 9, AT ABOUT 11:08 A.M.

Officers responded to a radio call for service of an indecent exposure at Gelson's Supermarket - 2627 Lincoln Blvd. As officers arrived, they located the female subject in the parking lot and detained her for an investigation. Officers learned as the victim was walking into the market, a female subject stepped in front of her by the front door and asked for money. The victim told the subject she did not have any money to give her. The female subject became upset and began yelling profanities towards her. The subject proceeded to lower her pants and expose herself to the victim. The victim was desirous of prosecution. The subject was taken into custody. Kallie Teal Kotin, 40, homeless, was arrested for indecent exposure and abusive solicitation. Bail was set at \$20,000.

How to shop for Medicare health and drug plans

When you shop for a new car or truck, you don't just buy the first one you see, do you?

Probably not. You shop around, looking for the best deal you can get on a vehicle that fits your driving needs as well as your pocketbook.

Well, it's the time of year when you can shop for a Medicare health or drug plan.

Medicare's open enrollment period begins Oct. 15 and runs through Dec. 7, 2018.

If you have Original Medicare, meaning that you can choose any doctor or hospital that accepts Medicare, you don't need to think about open enrollment.

But if you have a Medicare Advantage (Part C) health plan, or a Medicare (Part D) prescription drug plan, you may want to see whether there's another plan on the market that would be a better match for you, at a lower price.

If you're enrolled in a plan and you're happy with it, you don't need to do anything.

But Medicare health and drug plans – run by private insurers approved by Medicare – can change from year to year. A plan can raise its monthly premium or drop a medicine that you need.

So it makes good sense to review your coverage each year. Make sure your plan still is a good fit for you in terms of cost, coverage, and quality.

If it isn't, look for another plan.

During open enrollment, you can sign up for a Medicare Advantage health plan or Part D prescription drug plan, or switch from one plan to another. Your new coverage will take effect Jan. 1, 2019.

How do you shop for a new plan?

One way is the "Medicare & You" handbook, mailed each fall to every Medicare household in the country. This booklet lists all the Medicare health and drug plans available where you live, along with basic information such as premiums, deductibles, and contacts.

There's also the Medicare Plan Finder, at www.Medicare.gov.

Look for a green button that says, "Find health & drug plans." Click on that, plug in your zip code, and you'll see all of the Medicare Advantage and Part D plans available in your area. You can compare them based on benefits, premiums, co-pays, and estimated out-of-pocket costs. Contact

information for the plans is listed.

The Medicare.gov website also can help you decide whether Original Medicare or Medicare Advantage is better for you, and can help estimate your out-of-pocket costs with either type of coverage.

Each Medicare health and drug plan has been assigned a star rating of from one to five stars, with five stars being the best in terms of quality.

If you don't have access to a computer, call 1-800-MEDICARE (1-800-633-4227). Our customer service representatives can help you with questions about Medicare health and drug plans. The call is free.

Another terrific resource is the State Health Insurance and Counseling Program.

SHIP is an independent, nonprofit organization that provides free, personalized counseling to people with Medicare. You can make an appointment to speak with a SHIP counselor in-person or over the phone.

SHIP counselors are well-trained volunteers who often are enrolled in Medicare themselves, so they know the issues. They can help you sort through different health and drug plans and find one that's right for you. They're not salespeople and they won't try to sell you a specific plan.

To contact your local SHIP office, go to www.shiptacenter.org.

If you're enrolled in a Medicare Advantage plan as of Jan. 1, 2019 but you're not satisfied with it, you have a 3-month window to dis-enroll. Between Jan. 1 and March 31, 2019, you can drop your plan and return to Original Medicare (and join a standalone Medicare prescription drug plan).

Having trouble paying for your Part D plan? You may be eligible for the Extra Help program, which helps cover your premiums, deductibles, and co-pays. Medicare beneficiaries typically save about \$4,000 annually with Extra Help.

For more information about Extra help, go to www.SSA.gov/prescriptionhelp.

Greg Dill is Medicare's regional administrator for Arizona, California, Nevada, Hawaii, and the Pacific Territories. You can always get answers to your Medicare questions by calling 1-800-MEDICARE (1-800-633-4227).

Notice of Completion/ Availability of an Addendum to the Sustainable Water Infrastructure Project

OFFICIAL NOTICE is hereby given of the completion and availability of an Addendum to the Mitigated Negative Declaration (MND) for the Sustainable Water Infrastructure Project (SWIP) located in the City of Santa Monica (City). The Addendum has been prepared in accordance with the California Environmental Quality Act (CEQA). According to Section 15164(b) of the State CEQA Guidelines, an addendum to a previously adopted negative declaration is the appropriate environmental document in instances when only minor technical change or additions are necessary, and none of the conditions described in Section 15162 calling for the preparation of a subsequent negative declaration have occurred.

BACKGROUND: A MND was prepared for the SWIP in accordance with Section 15087 of the State CEQA Guidelines. The MND, adopted on September 27, 2016, analyzed the development of the SWIP, which included three key elements as listed in Table 1.

Table 1 – SWIP Elements Analyzed in SWIP MND

	Previously Adopted Components	Components in Proposed Addendum
Element 1	- Installation of reverse osmosis (RO) and pretreatment unit at the SMURFF - Installation of solar panel arrays at SMURFF, Pico Kenter SMUFF pumping station, and City Parking Lot #1 - Installation of groundwater extraction well at existing Beach Maintenance Yard	No Change to Previously Adopted Components
Element 2	Installation of underground recycled water treatment facility beneath Civic Center parking lot	No Change to Previously Adopted Components
Element 3	- Installation of underground stormwater tank (SWIP Tank #1) at Memorial Park - Installation of underground stormwater tank (SWIP Tank #2) at Civic Center	- Installation of underground stormwater tank (SWIP Tank #1) at Civic Center - Installation of underground stormwater tank (SWIP Tank #2) at Civic Center

The MND addressed the potential environmental effects of the SWIP in accordance with CEQA and CEQA Guidelines. For all environmental issue areas, impacts would be less than significant or less than significant with mitigation measures. In August 2016, the City Council certified the SWIP MND and adopted the necessary mitigation measures to implement and approve the SWIP.

REVISED PROJECT DESCRIPTION: The City proposes to revise SWIP Element 3, which includes the construction of two underground stormwater control and harvest tanks. Specifically, SWIP Tank #1 was originally proposed to be located at Memorial Park beneath the existing playfield. The City now proposes to revise the location of SWIP Tank #1 to beneath the existing Civic Center surface parking lot adjacent to SWIP Element 2 recycled treatment facility and to stormwater Tank #2. For construction efficiency, both SWIP Tank #1 and SWIP Tank #2 may be designed and constructed as a single combined structure resulting in a 4.5-million gallon (MG) capacity tank. Based on the analysis in the Addendum, the proposed change in tank location would not result in new or substantially more severe significant environmental effects. None of the conditions listed in CEQA Guidelines Section 15162 would occur, such that a subsequent negative declaration would be required.

PUBLIC REVIEW PERIOD: Although not required by CEQA, the City is circulating the addendum to the SWIP MND for a 14-day public review period for all interested persons to submit comments on the adequacy of the addendum. **The comment period will start on October 22, 2018, and end at 5:30 p.m. on November 5.** Written comments should be sent to:

Rachel Kwok, Environmental Planner
City Planning Division
1685 Main Street, Room 212
Santa Monica, CA 90401
Email: Rachel.kwok@smgov.net

AVAILABILITY OF ADDENDUM: The addendum and background materials, including original SWIP, may be viewed online at <https://www.smgov.net/Departments/PCD/Environmental-Reports/Sustainable-Water-Infrastructure-Project/> or in person at the following locations:

COMMUNITY BRIEFS

Montana Ave.

Movie screening and panel discussion

Join organizers as they celebrate the Santa Monica Public Library's annual Green Prize for Sustainable Literature Awards with a screening of JUNK, a documentary based on Marcus Eriksen's Green Prize Award-winning book Junk Raft. And a screening of Straws, directed by Linda Booker on Wednesday, October 24, 7 p.m. Aero Theater, 1328 Montana Ave. Santa Monica.

The Green Prize is a book award, presented by Santa Monica's Public Library and the Office of Sustainability and the Environment. In 2007, the Green Prize was created in order to recognize the authors, illustrators, photographers and publishers whose goal is to broaden the public's awareness of sustainability. To date, the Green Prize for Sustainable Literature has recognized over a hundred titles.

In 2008, two sailors drifted across the N. Pacific to Hawaii on a raft made from 15,000 plastic bottles tied in old fishing nets stuffed under a Cessna 310 Aircraft. They called it JUNK, and the purpose of the 88 day, 2600 mile voyage was to build awareness and help build a movement to save our seas from plastic pollution. Edited and directed by Chris Jones, JUNK follows the journey and the back story that led to it.

With colorful straw history animation narrated by Oscar winner Tim Robbins, Straws leaves audiences with a clear understanding of the problems caused by plastic pollution and empowers individuals to be part of the solution.

A Panel discussion moderated by Benjamin Kay, Adjunct Associate Professor of Life and Environmental Sciences will follow the screening.

The panel will include Green Prize winner Marcus Eriksen PhD, Research Director The 5 Gyres Institute, Chris Jones, Director, Producer, Editor, JUNK and Amanda Grossman, Sustainability Analyst City of Santa Monica.

This event is free. Please reserve your seats at <https://smgreenprize-filmscreening2018.eventbrite.com>

Please arrive by 6:40 p.m. to guarantee you get a seat.

Pacific Palisades

8th Annual Will Rogers Art Exhibit And Sale

Join the Will Rogers State Historic Park (WRSHWP) and the Allied Artists of the Santa Monica Mountains and Seashore (AASMMS) on Sunday October 28, from 10 a.m. to 4 p.m. for the 8th annual art exhibit and sale. The event, which is sponsored by the Will Rogers State Historic Park, is located at 1501 Will Rogers State Park Rd, Pacific Palisades CA 90272. Featuring 15 local fine artists, the exhibit and sale will display original, representational landscape paintings of the Santa Monica Mountains and beaches to promote appreciation of our environment and to support conservation and maintenance Santa Monica Mountains National Recreation Area (SMMNRA) and local parks.

Allied Artists of the Santa Monica Mountains and Seashore is a 20-year-old organization of local fine artists that paint representational art of the Santa Monica Mountains and beaches to promote appreciation of our environment and to support conservation and maintenance Santa Monica Mountains National Recreation Area and local parks. The 156,000-acre recreation area stretches from Runyon and Franklin Canyons in Hollywood to Point Mugu State Park in Ventura County and contains over 500 miles of trails including the 67-mile long backbone trail that follows the crest of the coastal mountains from Will Rogers State Historic Park to Point Mugu State Park.

The group of artists provides information, art, environmental education and an appreciation of the local mountains and seashore as a public service and donates a portion of art sales to conservation and environmental organizations.

The members of Allied Artists collaborate with conservation and park agencies such as Will Rodgers State Historic Park, King Gillette Visitor Center, Western National Parks Association, Palisades Village Green, National Wildlife Federation, and Mountains Restoration Trust to hold exhibitions of their paintings several times a year to raise money and increase public awareness of the endangered land that they depict in their paintings.

The group also sponsors free monthly paint-outs on the second Saturday of the month. The free paint outs provide a unique opportunity for any painter to enjoy a sense of camaraderie with like-minded people and are a great way to see the beauty of the natural environment. A painting demonstration and friendly critique is usually held at the paint-outs. The free paint-outs are from 9 a.m. to 1 p.m. and are open to any artist and any media and at any skill level. Contact the allied artists at [www http://allied-artists.com](http://allied-artists.com) for more information.

Nosferatu with Live Score by the Jack Curtis Dubowsky Ensemble

Santa Monica Public Library presents a screening of Nosferatu with live score by the Jack Curtis Dubowsky Ensemble on Tuesday, October 30, at 7 p.m. in the Main Library's Martin Luther King, Jr. Auditorium, 601 Santa Monica Blvd., Santa Monica.

The Jack Curtis Dubowsky Ensemble returns to Santa Monica Public Library for another Halloween horror screening with live musical score. Nosferatu, one of the silent era's most influential masterpieces, set the template for the horror films that followed. The 1922 German Expressionist film, directed by F.W. Murnau and starring Max Schreck as the vampire Count Orlok, is an adaptation of Bram Stoker's vampire classic, Dracula.

The screening will feature an original musical score performed live by the Jack Curtis Dubowsky Ensemble, an internationally recognized new music group that combines acoustic instruments, electronic hardware, composed material, and structured improvisation. The Ensemble is comprised of founder/composer/conductor Jack Curtis Dubowsky, Jeff Schwartz on double bass, Charles Sharp on clarinet and bass clarinet, Laura Osborn on flutes, Henry Webster on violin and viola, R. Scott Dibble on keyboards, and Gabriel "Slam" Nobles on mallets and percussion.

This program is free and open to all ages. Seating is limited and on a first-arrival basis. The Santa Monica Public Library is wheelchair accessible. For disability-related accommodations, call Library Administration at (310) 458-8606 at least one week prior to the event. The Main Library is served by Big Blue Bus routes 1, R10 and 18. Ride your bike. Bicycle parking racks are available at the library.

LETTER TO THE EDITOR

Proposition 2: A Step in the Right Direction

Editor:

Homelessness is an issue that seems to be growing every day in Santa Monica. With the upcoming midterm election on November 6th, many propositions seem to be relevant in shaping our California and Los Angeles communities. One in particular, Proposition 2, is looking to make changes to the "Mental Health Services Act to fund No Place Like Home Program, which finances housing for individuals with mental illness", according to the California Official Voter Information Guide. A "yes" vote would allow California to spend \$2 Billion in tax revenue for housing for individuals who are mentally ill. This funding would not increase taxes for all taxpayers, but would use the existing 1% tax on incomes above \$1 Million that was previously passed in 2004 under Proposition 63.

With 39 million people living in California, around 134,000 are homeless (no access to shelter) and one-third of those who are homeless are seriously mentally ill. Specifically in Santa Monica, the amount of people who live on the streets, beaches, in vehicles or encampments has jumped 11 percent since last year, bringing the total from 581 people to 646 on any given night. Of the 646 homeless on any given night, 75% are men and 25% are women, with the majority (58%) are between the ages of 25-54. As of June 2017, The City of Santa Monica has invested in building and maintaining 314 permanent supportive units for homeless individuals. While Santa Monica offers Section 8 housing, the statistics have shown that waitlists are common and cannot offer assistance to those in an immediate crisis. We commend the efforts the City has made in providing resources to the homeless, and we will continue to advocate for a "yes" vote on Proposition 2, as we believe that this aid will continue to offer more expansive resources.

Proposition 2 would not solve the homeless epidemic, but would continue the conversation and support in addressing homelessness in our Santa Monica community. It is taking an approach to house individuals who are homeless before trying to get them the mental health care they desperately need. It is realistically difficult to be receptive to help and care when you have no place to call home. We strongly agree that housing must come first in order to begin the process of comprehensive mental health care. The homelessness epidemic has affected our Santa Monica community for too long, and it is now our civic duty to take the necessary steps to bring about positive change.

SANTA MONICA POLICE OFFICERS' ASSOCIATION & SANTA MONICA FIREFIGHTERS' LOCAL 1109

Recommend Voting for These Candidates:

Councilmember Kevin McKeown

brings many years of experience as a Councilmember. He is committed to help keep our residents secure in their homes and safe in the community as he helps to protect our neighborhoods and quality of life. He is a renters' rights advocate, supportive of fair wages and affordable housing, and is committed to stellar educations and services for our youth.

Councilmember Pam O'Connor

has a long-standing track record of supporting public safety by allocating the necessary resources to maintain the highest level of emergency services in Santa Monica, while also sustaining and improving the community, by protecting residents and neighborhoods, supporting the City's commitment to education, and exploring clean transportation alternatives.

Councilmember Sue Himmelrich

In her 2014 election campaign, Sue Himmelrich promised a more transparent government, protection for renters and homeowners, and preserving Santa Monica's character. In her four years as Councilmember, Sue Himmelrich has backed those promises by introducing new ideas and programs, including the creation of an audit committee overseeing the City's budget, Section 8 housing protections, as well as supporting smart growth.

Candidate Greg Morena

As a lifelong Santa Monican, local business owner, and community leader and volunteer, Greg Morena has demonstrated that he has the leadership necessary to prioritize the public safety needs of Santa Monica, while preserving the character of the Santa Monica community and searching for solutions to affordable housing. He will work steadfastly to preserve and improve the quality of life in Santa Monica.

KNOW BEFORE YOU GO

Street Lighting Modernization Program

For the week of October 22, street restoration work may be taking place on Pearl Street near 11th Street. Please contact Robert Zak, Project Manager at (310) 458-2283 with any questions/concerns regarding this project.

Parking Structure #5 Tenant Improvement Project

For the week of October 22, construction will take place in Parking Structure #5 at 1440 4th street and anticipates affecting the sidewalk in front of the building with the sidewalk pedestrian tunnel, lasting until 11/30/18 During this time, there may be intermittent closures of a single lane of south-bound traffic between 8 a.m. and 3 p.m. Monday - Friday. Should you have any questions, please contact Tim Purcell, Project Manager (310) 458-2205 ext. 5027

Parking Structure Repair Project

For the week of October 22, Parking Structure #5 will be undergoing maintenance and repair work. Construction may temporarily impact parking. Entrances and exits will remain open for smooth traffic flow. Please contact Robert Zak, Project Manager at (310) 458-2283 with any questions/concerns regarding this project.

EPA Grant Funded Water Infrastructure Reliability Improvement Project

For the week of October 22, the contractor will be testing the newly installed water main and services on Ocean Park Boulevard between 14th Street and 18th Street. The con-

tractor will begin potholing for utilities on Grant Street between 6th Street and Lincoln Blvd. Traffic will be reduced to one lane on Ocean Park Blvd. and closed to through traffic on Grant Street. Please use alternate routes whenever possible. Please contact Carlos Rosales, Project Manager at (310) 458-8721, x2620 with any questions/concerns regarding this project.

LA Metro public art project - “Tears Of Santa Monica”

For the week of October 22, construction will take place at the westerly wall of the Expo light rail station at 4th and Colorado. The project will run from Summer until the early part of Fall. Intermittent easterly sidewalk and northbound 4th Street lane closures will take place. For any questions or further information, please contact Henry Servín, at (310) 458-8291 or Leticia Ivins at LA Metro at IvinsL@metro.net with any questions/concerns regarding this project.

Bike Network Linkages Project

For the week of October 22, no work is scheduled to be taken place. The project consists of applying new green paint to bicycle lanes throughout various locations within the City. Please contact Jason Hoang, Project Manager at (310) 458-8721 with any questions/concerns regarding this project.

TODAY’S BIRTHDAY (OCT. 22)

That a thrill! This year brings exceptional circumstances far beyond the magnitude of what typically occurs in your world. Highlights will include love that sets you off balance and has your heart leaping, some professional validation to revel in and a truly glorious meeting of the minds. Taurus and Cancer adore you. Your lucky numbers are: 22, 18, 4, 9 and 32.

ARIES (March 21-April 19)

Start with you. Don’t even give it a second thought. If you’re not compassionate and kind-hearted toward yourself, you’ll resent whatever generosity you give others.

TAURUS (April 20-May 20)

Every communication requires interpretation, and there’s always a little something lost in the translation. However, today you’ll get as close to pure communication as is humanly possible.

GEMINI (May 21-June 21)

There are many ways to see it. The first one that comes to mind may put you in a down position, as if something was happening to you instead of for you. Step back. How many other ways can you see it?

CANCER (June 22-July 22)

Variety will serve you well in all things, especially variety of thought. One way of thinking gets as boring as eating only one food or hearing the same song over and over. Welcome those who challenge your mindset.

LEO (July 23-Aug. 22)

Your compassion and sensitivity will be put to the test. Keep in mind that people often try to hide their discomfort, and those who don’t feel well are using a lot of energy to just to do the baseline normal things.

VIRGO (Aug. 23-Sept. 22)

The advice you get today will be like something you buy at a high-end store. The quality may be there, but if you try it on and it doesn’t fit, the quality is beside the point. Return it and try something else.

LIBRA (Sept. 23-Oct. 23)

What do you think about your own behavior? You haven’t stopped to consider this in a little while, but it matters. Time for a check-in. Give yourself the room to reflect and regroup.

SCORPIO (Oct. 24-Nov. 21)

Everyone is toting a pocket full of personal prejudice. Their thought processes have little to do with you, and a lot to do with what’s in that pocket. So there’s no use worrying what they think of you.

SAGITTARIUS (Nov. 22-Dec. 21)

Today, it’s not absolutely clear what is true and what isn’t, so maybe ponder other things, for instance, who you want to be in the world and what you would need to believe to get there.

CAPRICORN (Dec. 22-Jan. 19)

Maybe those who are supposed to be supporting you do not, in fact, have what you need. These things happen, and you can’t let it stop you. Hold onto hope and look elsewhere.

AQUARIUS (Jan. 20-Feb. 18)

Some say love makes the world go ‘round; others credit misunderstanding with the rotation. As for you, it’s still unclear which you’re chasing after today, love or a misunderstanding about love.

PISCES (Feb. 19-March 20)

People took from you. What they took they gave. You’re stronger for dealing with weakness, richer for learning how to support yourself when they didn’t, and you love truer because you know the difference.

LIBRA SUN FINAL WORDS

Things change. Moods, circumstances, beliefs, people... it all changes. The diplomatic Libra sun leaves us with final words on conflict resolution. Be flexible. An ultimatum is rarely the way to go; that’s the power play for those too immature to understand nuanced agreement and create fluid arrangement that stand the test of time.

WELL NEWS BY SCOTT LALEE

Stories for the Waiting Room

■ The opioid epidemic is getting bigger and diversifying. The Food and Drug Administration is now trying to tackle an offshoot problem: opioid prescriptions for pets. Veterinarians can prescribe opioids for treating pain in animals, though there is only one FDA-approved drug for use in animals.

■ Vets sometimes turn to human drugs when animal-approved drugs are ineffective or non-existent – and there's worry that vets might do the same with opioids. The FDA has created a new resource for vets seeking alternative pain treatments and is advising them to be on the lookout out for people seeking opioids under the false pretense of treating a pet.

Notice

NOTICE OF PETITION TO ADMINISTER ESTATE OF DAVID RICHARD FETT
Case No. 18STPB09455
To all heirs, beneficiaries, creditors, contingent creditors, and other persons who may otherwise be interested in the estate of (specify all names by which the decedent was known): FRANKIE JEAN READ
A PETITION FOR PROBATE has been filed by JENIFER N. RODGERS in the Superior Court of California, County of LOS ANGELES.
THE PETITION FOR PROBATE requests that JENIFER N. RODGERS be appointed personal representative to administer the estate of decedent.
The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.)
The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.
A HEARING on the petition will be held on November 9, 2018 at 8:30AM in Dept. No. 29, located at 111 N. HILL STREET, LOS ANGELES, CA 90012.
IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.
YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice Form is available from the court clerk.

Attorney for petitioner:
LAWRENCE M. LEBOWSKY
11377 W. OLYMPIC BLVD., 9TH FLOOR
LOS ANGELES, CA 90064

Notice

NOTICE TO CREDITORS

Margaret E. Marriott, Trustee of the Wilfred G. Marriott Family Trust
Dated October 31, 1989

NOTICE IS HEREBY GIVEN to creditors and contingent creditors of the above Trust, pursuant to California Probate Code CHAPTER 3. Publication of Notice [19040 - 19041] that, Margaret E. Marriott, Trustee of the Wilfred G. Marriott Family Trust Dated October 31, 1989 passed away on or about October 27, 2017. Margaret was preceded in death by Wilfred G. Marriott. All persons having claims against the Trust are required to present their claims within four months after the date of the first publication of this notice or the claims are forever barred. Claims must be presented by delivering or mailing a written statement of the claim to the Trustees, Paul Marriott and Jennifer Marriott, at the following address:

The Wilfred G. Marriott Family Trust, dated October 31, 1989
c/o Lynn A. Keeling, Attorney for Trustees
3411 North Fifth Avenue #303
Phoenix, AZ 85013
For your protection, you are encouraged to file your claim by certified mail, with return receipt requested. DATED this 30th day of August, 2018.

Lynn A. Keeling, Attorney for Trustees
