The only-begotten Son of God, my brethren, begotten in eternity of the Father
without a mother, was born in time of a Mother without a father.

That first begetting is an unfathomable mystery of the Holy Trinity in eternity,
and this second birth is an unfathomable mystery of God's power and love for mankind in time.

May God grant us a holy, healthy, & profitable Lenten Spring!

Great Lent
is coming!
