McKinney-Vento Dispute Resolution Procedure

Steps for addressing disputes regarding eligibility, school selection or enrollment:

1) If a dispute arises over eligibility, school selection or enrollment, TRECA Digital Academy will immediately enroll the child/unaccompanied youth in the school in which he/she is seeking enrollment, pending resolution of the dispute, including all appeals. [PL 107-110, Section 722(g)(3)(E)(i),(iv)]. The Act defines enrollment as "attending classes and participating fully in school activities."

2) TRECA Digital Academy staff will refer the student, parent or guardian to the TRECA Digital Academy local liaison who will initiate the dispute resolution process as quickly as possible. The local liaison will make sure that the district follows the dispute resolution process. The liaison also must ensure that unaccompanied youth receive the same rights to appeal a district's eligibility, school selection or enrollment decision as parents and guardians. The role of the TRECA Digital Academy local liaison is to assist the student, parent or guardian through the duration of the dispute resolution process. The process will be open and transparent among those involved.

3) Upon determination of eligibility, enrollment or school selection, TRECA Digital Academy will provide a written explanation of any decisions made to parents, guardians or unaccompanied youth. The written explanation will be easy to understand and free of jargon. When appropriate, the TRECA Digital Academy will translate the decision into the recipient's dominant language. At a minimum, the written explanation of how the district reached its decision regarding eligibility, school selection or enrollment will include:

- A description of the action that the district proposed or refused;
- An explanation of why the district proposed or refused the action;
- A description of any other options the district considered;
- The reasons why the district rejected any other options;
- A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination. This includes the facts, witnesses and evidence relied upon and their sources;
- Appropriate timelines to ensure any relevant deadlines are met;

4) The student, parent or guardian has the right to appeal any district determination of eligibility, school selection or enrollment. TRECA Digital Academy local liaison will guide the student, parent or guardian through the entire dispute resolution process. The liaison will assist in both the local and state-level appeals process, if necessary. This includes recording evidence that will be used to write an appeal if a parent, guardian or unaccompanied youth cannot do so by him or herself and providing access to school materials, such as copiers and fax machines. Addendum 2 provides a template for the written appeal of the district's eligibility, school selection or enrollment decision.

TRECA Digital Academy is a statewide virtual school acting as a one-building district. While school selection will not be an area of concern, dispute procedures are in place to address any and all disputes regarding eligibility and enrollment.
