Subject: ASC Price Increase Announcement

To Our Valued ASC Engineered Solutions Customers,

Due to cost increases derived from Section 232 and worldwide tariffs, ASC Engineered Solutions will be implementing a price increase on the products below. The effective date of this increase will occur on October 6, 2025. Due to the nature of these increases and immediate cost impact, this pricing will be effective for all customers on the effective date. All quotes will have a five-day effective date. Any orders with future dating beyond 15 days will be reviewed and may receive a price increase.
