Subject: ASC Price Increase Announcement

To Our Valued ASC Engineered Solutions Customers,

Due to ongoing increases in raw material costs, current trade policies and tariffs, and rising freight and energy expenses, we will be implementing a general price increase effective June 15, 2026. Specific increases may vary by product category. Due to the nature of these increases and immediate cost impact, this pricing will be effective for all customers on the effective date. All quotes will have a ten-day effective date. Any orders with future dating beyond 15 days will be reviewed and may receive a price increase.
