Subject: Compliance with Build America, Buy America**Manufacturer's Certificate of Compliance**

This letter certifies that all iron and steel components contained in the products listed in Appendix A, including threaded pipe fittings, unions, and pipe nipples from ASC Engineered Solutions (formally Anvil International), were entirely melted, molded, machined, and finished in the United States. No foreign-origin iron or steel was used in any stage of production. These products fully comply with the Build America, Buy America Act (BABA) requirements as mandated under the Infrastructure Investment and Jobs Act (IIJA), Pub. L. No. 117-58, §§ 70901-70914.

**ASC Manufacturing
Columbia, PA****Product**

Malleable Iron Pipe Fittings
Cast Iron Pipe Fittings
Malleable Iron Pipe Unions
Black and Galvanized

Steps in Production

Melted, molded, machined, and inspected

**ASC Manufacturing
Greencastle, PA****Product**

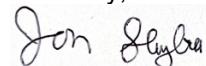

Steel Welded Pipe Nipples
Sizes ½" and up
Black and Galvanized

Steps in Production

Cut, machined, inspected, rust-inhibited and
packaged from domestically produced pipe

Please specify "Must Be BABA Compliant" on any purchase orders for this project.

Sincerely,

Jon Skyba
Product Manager
