PAS Provides Peace of Mind Because We Exceed Your Expectations

Our Focus On Safety And Proven Processes Makes Us A Leader in Demolition

PROJECTS DONE RIGHT & ON TIME

We have the knowledge, qualifications, and experience to handle all your demolition requirements. And, because PAS offers COMPLETE demolition services, our clients can be confident that all stages of the work will be completed on or ahead of schedule and in the safest and most cost-effective manner possible.

WE TAKE CARE OF ALL YOUR WORRIES

With each project, we tackle environmental issues, public safety and health risks, employee safety hazards, and recycling processes. We always devote a great deal of time and energy to the engineered pre-planning phase to ensure optimum results.

BENEFIT FROM OUR LOCAL EXPERTISE & NATIONWIDE RESOURCES

Projects are managed in local markets staffed with experienced management and job site personnel who are knowledgeable about all local codes and labor requirements.

SAFE CONDITIONS & FULLY INSURED

Our rigorous safety standards and training requirements, combined with state-of-the-art equipment, create safe working conditions. PAS is bonded and insured for your protection.
