Dear Patient/Family Member:

Thank you for choosing UT Health Austin for your care. As a patient of the Women's Health Institute or **LIVESTRONG** Cancer Institutes, we want to let you know that Teresa Reed will be leaving UT Health Austin June 11, 2021.

Our clinical support team will continue caring for you through this transition. If you have an existing appointment with Ms. Reed after June 11, 2021, our team will be contacting you to schedule another appointment time with another provider.

We remain committed to providing high-quality services for women in our community and have a robust team of Women's Health providers available to continue your care. If you would like to schedule a future appointment with our team, please contact us at 1-833-882-2737, and one of our Access and Outcomes Partners will assist you.

If you chose to seek medical care elsewhere, you may call us to request an authorization form to transfer your medical records to your new provider. You may also choose to download the Release of Information form at uthealthaustin.org select "Resources" then "Medical Records".

We remain dedicated to providing ongoing support to help you live a healthier life and look forward to continuing your care in the Women's Health Institute.

Thank you for your loyalty and trust over the years.

Sincerely,
