Pursuant to the National Childhood Vaccine Injury Act of 1986 (42 U.S.C. Section 300aa-1 et seq.) the United States established the National Vaccine Injury Compensation Program (VICP) to allow recovery of some unreimbursed expenses for certain injuries arising out of the administration of certain vaccines. In order to obtain reimbursement for an injury you must file a claim with the VICP. Information about the VICP is available at https://www.hrsa.gov/vaccine-compensation/index.html and you may call 202-357-6400 to obtain sample documents for filing a claim.

By signing this form, CONSENTOR acknowledges the following:

- I voluntarily consent to PATIENT receiving the COVID-19 vaccination at UT Austin after carefully considering the risks and benefits;
- UT Austin advised me to consult with PATIENT’s medical provider to discuss PATIENT’s personal risks, benefits, and potential side effects of receiving the COVID-19 vaccination;
- I received information about PATIENT’s possible side effects of the COVID-19 vaccine, as presented in the Emergency Use Authorization information pamphlet provided to me;
- I received information about the known risks and side effects, the possibility of unknown adverse reactions, and the need for continued masking/social distancing after PATIENT receives the COVID-19 vaccination;
- UT Austin provided me with a completed COVID-19 vaccination card for PATIENT and/or access to an electronic vaccination record;
- I understand that if PATIENT experiences adverse side effects after receiving the COVID-19 vaccination, I will contact PATIENT’s primary care physician or UT Austin immediately;
- I understand that the COVID-19 vaccinations given at UT Austin will be tracked and reported to ImmTrac, and as otherwise required by the local, state and federal government.
