Pool Barrier Affidavit

I, _____, affirm that I am the owner of the property located at _____, and that I am aware of the requirements for the enclosure of a swimming pool in accordance with [Section 305 of the International Swimming Pool and Spa Code \(ISPSC\)](#).

Existing Barrier: I certify that my property has an existing barrier, which meets the requirements of the code for a swimming pool barrier. My barrier shall consist of the following:
(select all that apply)

ISPSC Compliant Fence

ISPSC Compliant Alarm

ISPSC Compliant Above Ground Pool

ISPSC Compliant Natural Topography

ISPSC Compliant Gates

ISPSC Compliant Pool Cover

ISPSC Compliant Natural Barrier

New Barrier: I take full responsibility, as the property owner, for ensuring that the building permit for the pool barrier enclosure is obtained. The swimming pool will be protected by an ISPSC compliant barrier during and after construction.

I acknowledge that I am required to schedule a final inspection to obtain a barrier permit to have the barrier inspected for compliance with the ISPSC. Additionally, I confirm that the swimming pool will not be filled with water or otherwise used or occupied until the final inspection approvals for the pool and the barrier have been granted by the City of Virginia Beach.

Pool Construction and Lot Grading

The owner and undersigned pool contractor certify that the construction of a swimming pool at the above-mentioned address will:

- Not alter or impede the drainage of such lot or cause drainage problems on any adjacent property.
- Not change existing grade levels or patterns.
- Not disturb 2,500 square feet of land area or greater.
- Be installed at existing grade level.
- Be installed as shown on approved survey or site plan.

Any additional work (including flatwork, decks, or other improvements) must be approved and permitted prior to implementation.

Any changes to lot grading or drainage, and additional work installed without permits/approvals, may result in Stop Work Order and require additional permits/approvals.
