Operating authority for the program is found in Chapter 21 of the City of Virginia Beach code and Chapter 46 of the Code of the Commonwealth of Virginia as administered by the Virginia Department of Transportation (VDOT). Reference is made to the Virginia Department of Transportation Hauling Permit Manual. If the items being moved are over the following dimensions:  
 Gross Weight: Refer to pages 9-13 of Moving & Hauling (M&H) Manual  
 Height: 13' 6"  
 Length: 40' vehicle alone or 60' combination of vehicles  
 Width: All vehicles over 8'6"  
 When maximum single axle weights are over 20,000 lbs., when the maximum tandem weights are over 34,000 lbs., or when the gross vehicle weight exceeds the prescribed weights in Sections 5 & 6 of the M&H Manual.  
 The Virginia Department of Transportation/Department of Motor Vehicles (DMV) has jurisdiction only on those roads maintained by the Virginia Department of Transportation. The City of Virginia Beach has jurisdiction on all streets within the city, except for Interstate 64 and Interstate 264. The State Permit issued by VDOT/DMV is valid on I-64 and I-264. Any travel on roads within the City of Virginia Beach would require a permit from this locality.
