Refine Proposed Solutions and Problems, Part One: Small Group Work

Advisory Group members worked in small groups to review draft solutions and problems that had been raised in the first two meetings and to propose additional solutions.

Refine Proposed Solutions and Problems, Part Two: Large Group Discussion

As a large group, members reviewed the draft solutions and problems, providing edits and additional suggestions.

Cost-Participation Criteria, Incentivizing Council Priorities: Station Exercises

As the previous agenda sections ran long, Advisory Group members agreed to only discuss incentivizing council priorities. Advisory Group members brainstormed ways to incentivize the different council priorities listed in the fourth objective of the City Council resolution to form the Advisory Group. Advisory Group members agreed to provide additional feedback on this topic and the cost-participation program asynchronously prior to the fourth meeting.

Julie Brenman reminded the Advisory Group that the next meeting will be held on Friday, July 18, 2025, from 9:00 am to 1:00 pm at City Hall, Building 1, Room 1009, 2401 Courthouse Drive, Virginia Beach, Virginia.
