

The Voter Registrar's Office has Moved!

Our new address is 500 Studio Drive

Getting There

From the former office at the Municipal Center, proceed west along Princess Anne Road towards Kempsville.

At South Independence Boulevard, turn right and continue until you reach the intersection of Holland Road and South Independence Boulevard.

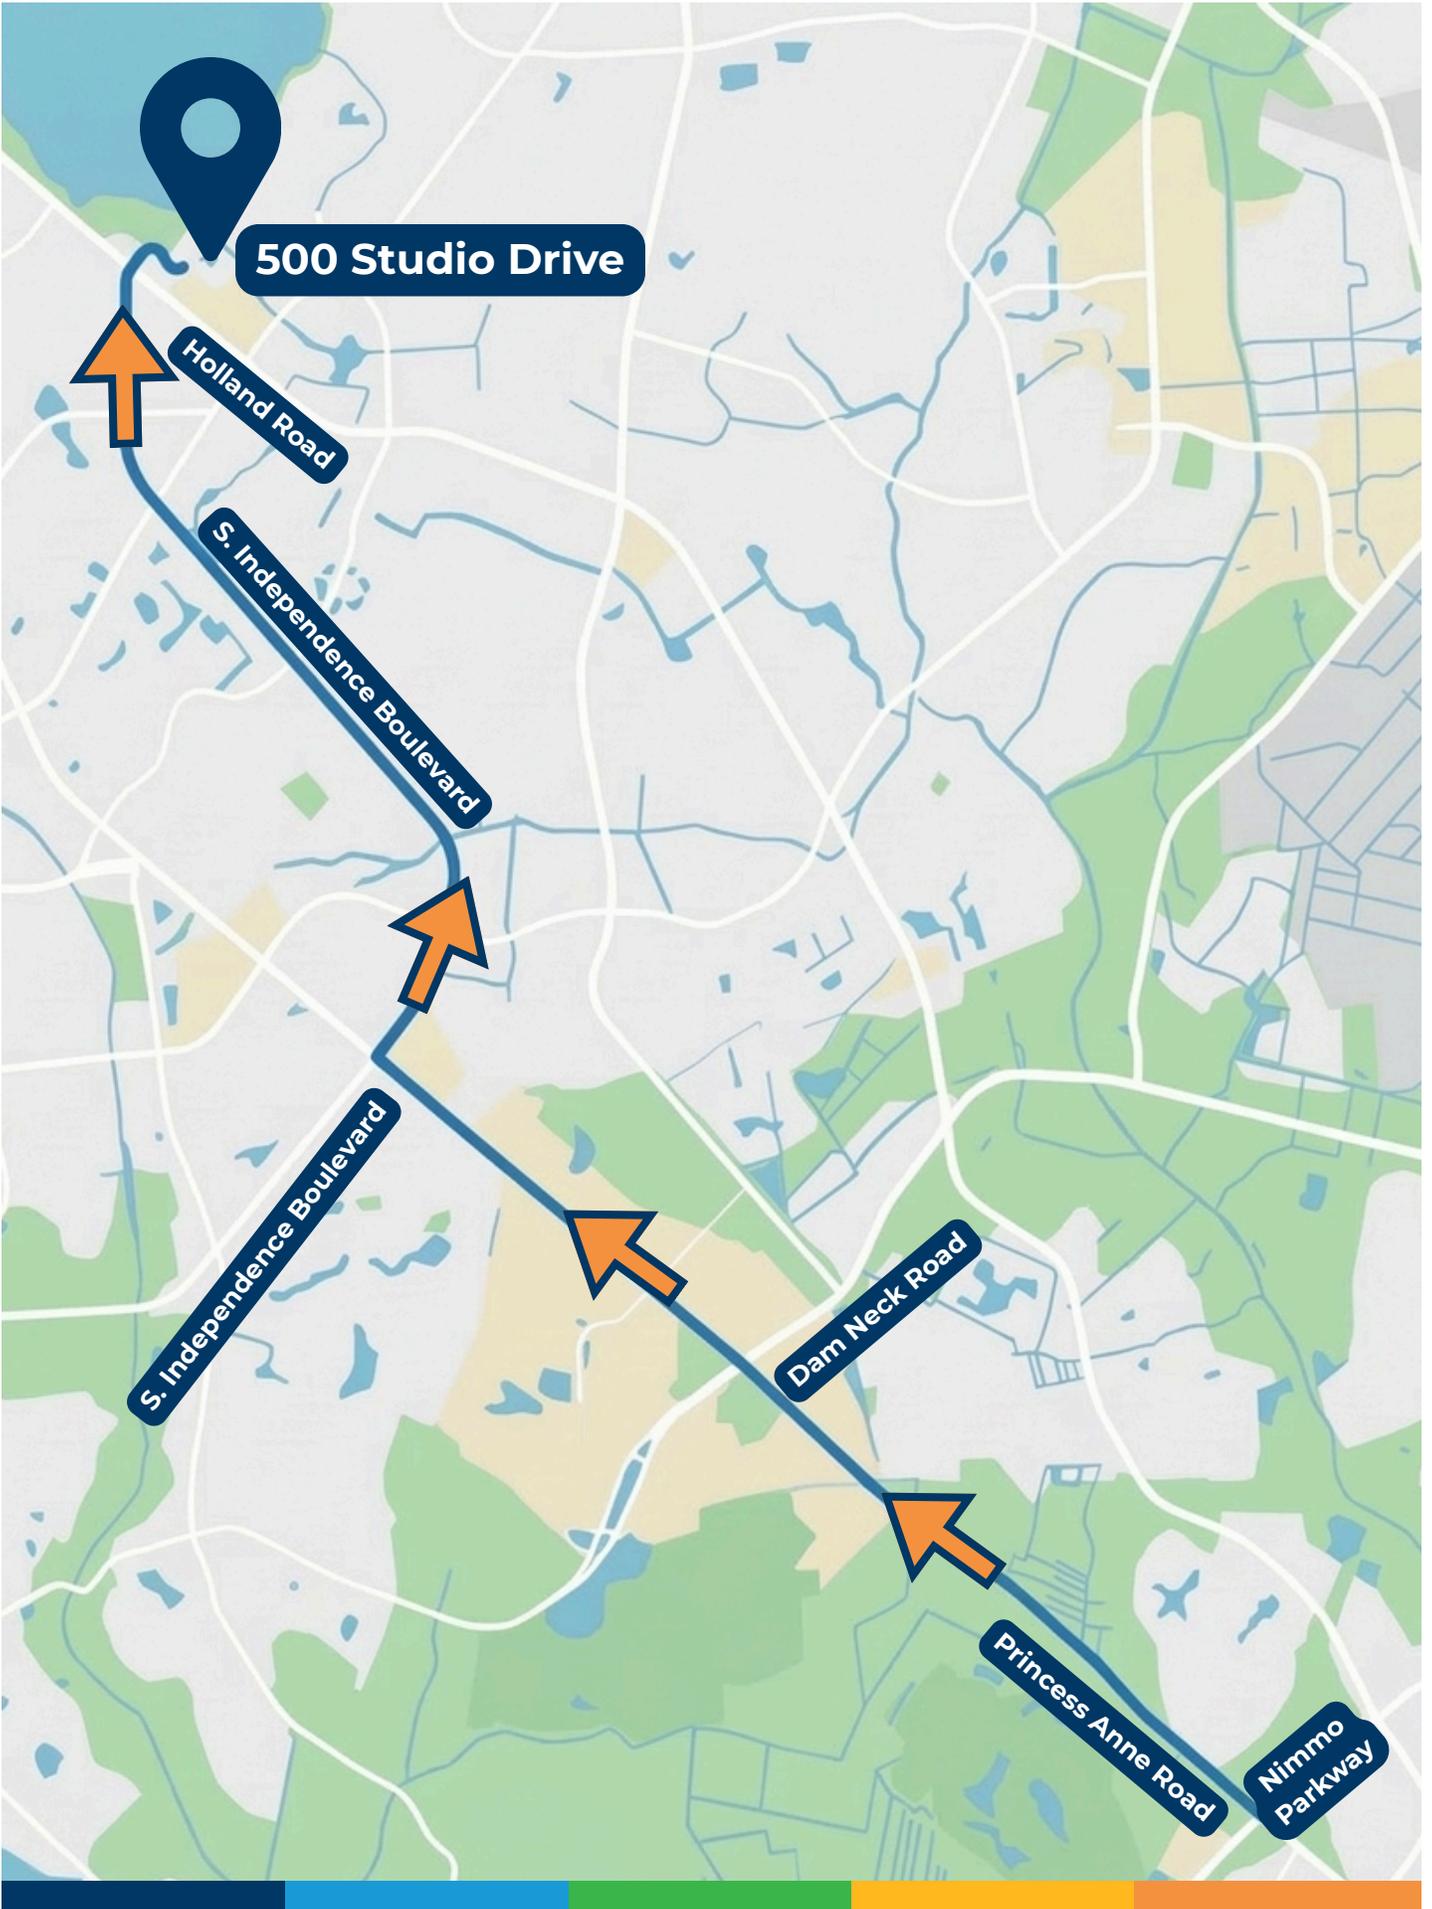

Continue straight through the intersection - you are now on Studio Drive. There are signs directing traffic to the Voter Registrar's Office along the road.

A map is available on the back of this page.
