There was no public comment

Mr. Rogers moved to approve the minutes of the Committee's June 1, 2012 meeting, seconded by Mr. Shoopman. The motion carried.

Mr. Rogers moved to approve the minutes of the Committee's August 3, 2012 meeting, seconded by Mr. Schiel. The motion carried.

Mr. Diercks reported that there had been one private website subscription cancellation and one new private subscription along with five private renewals and two public renewals. The Kankakee County Association of Realtors had sent payment for an additional six months.

Mr. Diercks reported that he and Ms. Redwitz had attended a meeting of the Northeastern Illinois GIS Cooperative Program (NEIL) in Wheaton in early September. One of the topics discussed was the group's yearly flyover. Kankakee County has not participated, but Mr. Diercks said that he might be interested in participating in a 2014 flight if LiDAR

is obtained. The Committee discussed various aspects of LiDAR and participating in a coordinated flight with the other counties.

Mr. Diercks showed the Committee the updated aerial photography Google is now using in Google Maps and Google Earth. Various ways the photography could be used were discussed.

Mr. Rogers moved to adjourn, seconded by Mr. Lammey. The motion carried.
