

Minutes

Kankakee County GIS Committee

Meeting of April 11, 2025

1) Open Meeting

Chairman Blair opened the meeting at 10:00 A.M.

2) Roll Call

The following members were present: Mr. Blair, Mr. Heiden, Mr. Kerkstra, Mr. Newton, Mr. Wilson (proxy for Mayor Nugent).

Additional attendees included Mr. Olson and Mr. Skimerhorn.

3) Public Comment

There was no public comment.

4) Approval of Minutes

A quorum was not present. Minutes from the meeting on January 10, 2025 were to be placed on the next meeting agenda.

5) Project Updates

The hydrographic survey project was getting closer to completion. Metadata files were received from the project team and were being reviewed.

The 2025 Ortho Image Project was underway. Imagery acquisition was almost complete. The project team was reviewing collected imagery to determine if any re-flights were necessary.

The GIS server upgrade only had a few things left to complete. The primary task for staff was the transition of K3-Mapper to the new platform, ArcGIS Experience Builder.

The sidewalk planimetric data was almost finished. Mr. Olson stated the centerlines were going through the final stages of quality control.

6) New Business

Mr. Skimerhorn said the Kankakee County Board approved the increase of the GIS recording fee. The increase went from \$17 to \$30 and would be reviewed every two years.

7) Old Business

None.

8) Next Meeting Date

The meeting times for 2025 were scheduled for July 11 and October 10. If any additional meetings are needed for the ortho image project, members would be notified.

9) Adjournment

Mr. Wilson motioned to adjourn the meeting. Mr. Kerkstra seconded the motion. The meeting was adjourned at 10:26 A.M.
