One of my greatest strengths, as well as one of the joys of my professional life, is the variety within my skillset. Having spent time refining several separate and parallel skills has given me an adaptability that enhances the quality of my work. Moreover, I'm never done adding tools to the belt.

Skills (in order of most refined)

- | | |
|------------------------------------|--------------------------------|
| 1. Graphic design | 4. Drumming & drum teaching |
| 2. Teaching & speaking | 5. Writing |
| 3. Academic & theological research | 6. Videography & video editing |
