ABOUT THE PROJECT

An outcast girl falls in love with Louis, the most handsome boy in the school, but is unable to get to know him due to her indecisiveness. She creates a tulpa, a copy of Luis, who is passionately in love with her. But what if the real Luis fall in love with her and the copy feels violated and abandoned? While Camille herself could turn out to be someone else's tulpa, created to solve a terrible mystery from the past.
