Greetings Valued Guests

As you are aware, the CDC and the State of New York recently updated their guidelines and for protection against Covid19. We are writing to let you know how these changes will impact your stay at our resort.

In accordance with the most recent guidance from the CDC and The State, effective immediately, we will no longer require that our guests who are fully vaccinated wear masks in any area of the resort. Additionally, we are lifting all capacity limits within our buildings. Please note that as per Governor Cuomo, pools will continue to operate with six-foot social distancing in anticipation of Memorial Day. New York State's goal is to reopen them to 100 percent capacity by July 4.

We encourage all of our guests to, please, continue to follow CDC guidelines such as frequent washing of hands and using hand sanitizer. We also ask that everyone please be respectful of those guests who choose to continue to utilize face coverings.

We are committed to keeping you updated as guidelines evolve. For more information on the most recent executive orders, we invite you to visit the [State of New York](#)

We are looking forward to a great 2021 Season and thank you in advance for your cooperation and continued support.

Warm Wishes,  
Meagan Gibbons  
RV Resort Manager  
Catskill RV Resort
